Honorable Councilmember Hernandez and PLUM Committee,

At a time when rents in MacArthur Park / Westlake are going up, we need more affordable housing not gentrification in our community. I ask you to vote NO on the final approval for the hotel project proposed at 2005 James M. Wood Blvd. Instead of benefiting the community, the proposed project allows double the square footage of hotel ordinarily allowed, has no housing component, and destroys a panaderia. We need to protect our families, build more housing, and ensure development that doesn't damage our quality of life. I ask that you stand up for our neighborhood, and vote NO on the proposed hotel project!

Honorable Councilmember Hernandez and PLUM Committee,

Please protect our neighborhood and stop an upzone / zone change with no affordable housing as part of the James M Wood hotel project. We ask that Councilmember Hernandez stand with the community on the final vote at James M Wood project and vote for housing over hotels. Please vote to deny this project which appears not to provide the affordable housing or alternative fees required by law.

I agree with the previous Council Member's position that there should not be a hotel here. He said: "The Council Member's position is that there is no justification for a hotel use at this site. In contrast, demand for affordable housing continues unabated, exacerbated by the pandemic, and the need to produce housing is compelling." Please deny this proposed hotel.

Honorable Councilmember Hernandez and PLUM Committee,

I agree with the previous Council Member's position that there should not be a hotel here. He said: "The Council Member's position is that there is no justification for a hotel use at this site. In contrast, demand for affordable housing continues unabated, exacerbated by the pandemic, and the need to produce housing is compelling." Please deny this proposed hotel.
