

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to the de-escalation of Phase III water conservation restrictions to Phase II restrictions contained in the City's Emergency Water Conservation Plan Ordinance.

Recommendation for Council action:

REQUEST the Los Angeles Department of Water and Power to implement the de-escalation from Phase III of the water conservation restrictions to Phase II restrictions as detailed in the City's Emergency Water Conservation Plan Ordinance.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

On June 9, 2023, your Committee considered the May 2, 2023 communications from the Mayor the de-escalation of Phase III water conservation restrictions to Phase II restrictions contained in the City's Emergency Water Conservation Plan Ordinance. The report attached to the Council file includes some background on the matter.

After providing an opportunity for public comment, the Committee moved to approve the recommendation reflected above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

ENERGY AND ENVIRONMENT COMMITTEE
