

# MOTION

In the event that a special election is not a legal option for a Council District seat that has a caretaker without voting authority, the City Council should thoroughly, transparently and expeditiously explore all options to ensure they have representation. Before considering or voting on any potential appointments to fill the seat, the City Council needs a detailed, public discussion of the full range of available scenarios.

I THEREFORE MOVE that Council instruct City Attorney to make a public report to the entire City Council on eligibility requirements, as outlined by the Los Angeles City Charter, for potential appointments by the City Council to fill the temporary vacancy in said Council District in 5 days.

I FURTHER MOVE that the Council instruct the Chief Legislative Analyst to report on options entailing a process for selecting a voting representative for the Council District that includes public input from constituents and civic institutions of the District.
