Comments for Public Posting: Dear Committee Members: Curren Price Jr. while being investigated should not be allowed to serve on the City Council and/or Committee assignments. He should be allowed to collect a paycheck while the L.A. District Attorney is conducting an investigation into this matter. I would advocate for a Special Election so that the people of Council District 9 can elect someone to represent them. The people should have a say in who they want them to represent in City Hall. Democracy needs to be heard! A caretaker or non-voting member appointed by the City Council isn't the best option because the people of District 9 won't have a voting member to represent them without having an election.
