Comments for Public Posting: I object to the appointment of Socialist activist Loraine Lundquist, a far-left “Housing Is A Right,” “defund” individual being appointed to any Los Angeles position. She does not represent the voice of tax-paying homeowners and residents in the San Fernando Valley. Is the City only hiring or appointing self-proclaimed leftist and extremist activists, “Progressives,” to positions of authority, ignoring the wishes of stakeholders who disagree with the bias and non-inclusive process of the current LA City government?
