

Communication from Public

Name:

Date Submitted: 07/02/2023 10:06 AM

Council File No: 23-1200-S126

Comments for Public Posting: Latinos are not represented in the Rent Adjustment Commission according to their population in the City of Los Angeles. In fact, Latinos are underrepresented in 46 of 51, or over 90% of commissions. This is not acceptable in a representative government, especially in a city that has more than 2.1 million Latinos. The odds are someone can find a qualified candidate that is one in a million. [***pages follow]

Latinos are not represented in the Rent Adjustment Commission according to their population in the City of Los Angeles. In fact, Latinos are underrepresented in 46 of 51, or over 90% of commissions. This is not acceptable in a representative government, especially in a city that has more than 2.1 million Latinos. The odds are someone can find a qualified candidate that is one in a million.
