Comments for Public Posting: The arrogance and the idiocy of continuing to try to sneak through this abomination is mindboggling. The public does not want our zoo transformed into an over-crowded, stupidly designed tourist trap that prioritizes fancy restaurants, shops, "meeting rooms," kiddie "rides" and staff parking over animals -- both within and outside the zoo walls. No blasting! No heavy equipment ripping up the homes of endangered species! No vineyard! No climbing wall! No to ALL OF IT Replace the greedy, clueless manager of the zoo and start over with a plan that honors the purpose of Griffith Park.
