Hi Candy,

Confirming that the applicant has agreed to an extension of time through August 31 - does this give us enough time to notice the next Council meeting? My apologies, I thought I asked them for September instead. Let me know if I need to go back to them.

Thanks very much as always,

**Mr. More Song**

More,

Thank you for your note. This will serve to confirm that the Project Applicant Raising Cane's hereby consents to a Time Limit extension for Council file No. 25-0576 from August 8, 2023 to August 31, 2023.

We received a call today from Ms. Candy Rosales from MLU Management committee requesting confirmation of the extension. Can you kindly inform Ms. Rosales that Raising Cane's has agreed to the requested extension?

Please let us know if a letter is required confirming the requested extension.

Best regards,

-David

Hi all,

My apologies for the confusion but as you continue to review, it turns out that the form I sent you is for commissions only (and I didn't need to edit it) - someone from the applicant's team just needs to send the below statement in an email to me using the dates I have in the form I sent you, whenever you're ready (although the sooner the better as we can't schedule for PLUM until then).

[Name of Applicant(s)] consents to a Time Limit extension for Council file No. [xx-xxxx] from [Time Limit date] to [extended date].

Thanks very much as always,

Mr. More Song

Hello all,

Hope you all are well. It looks like we're getting ready to move forward with this, but it's come to my attention that our case is expiring soon. Will someone please sign this extension request and send it back to me asap?

Thank you very much,

Mr. More Song
