Hi Heather,

The new PLUM date will be 10/3. Since this item was noticed for 9/5, the item will remain on the agenda. We will make the update to the notice to include the second appellant information and share it with you for review. Please request a letter of extension from the applicant to October 25th. Will the Applicant or DCP pay for the mailing?

Thanks,

Hi Heather,

As a follow up to our conversation, I cannot find our exhibit A plans attached to any report online. [HERE](#) is the item link from the hearing agenda.

Please call me when you're feeling better - this is probably worth another phone call (for various reasons).

Thanks for taking the time to chat earlier and I hope you all recover soon!

Hi Brian,

In my absence while I was on vacation, I had staff transmit the appeals but only one appeal was transmitted. At this point, I'm working with the City Clerk to try to get the new notice out this week so as to not delay the project any further. I will let you know when I hear back from the City Clerk's office.

Hi, Heather,

We received the hearing notice (attached) for the appeal of the CPC decision on 3601 Mission Rd and I noticed that it only includes the appeal filed by SAFER. Is the other appeal, filed by the Lincoln Heights Preservation Coalition, not also being heard at the same time?

Please advise.

Thank you,
