

PUBLIC WORKS

MOTION

Council District 14 has consistently been encumbered by the largest amount of illegal dumping of any Council District in the City of Los Angeles. In 2022 alone, LASAN crews cleaned up 3,303.46 tons of illegal dumping. In response, Council District 14 has regularly engaged community organizations to assist LASAN with illegal dumping removal, with five crews currently working throughout the district. Due to the sheer volume of trash, crews are still needed to address the inordinate amount of trash dumped illegally throughout the Council District 14. Funding is available in the CD 14 Real Property Trust Fund and the Central Los Angeles Recycling and Transfer Station (CLARTS) Community Amenities Trust Fund for this purpose.

I THEREFORE MOVE that \$900,000 from the Central Los Angeles Recycling and Transfer Station (CLARTS) Community Amenities Trust Fund No. 47S, Department 14 be transferred to the Department of Public Works, Office of Community Beautification, Fund 100 Department 74 Account 3040, Contractual Services for beautification services within Council District 14; and,

I FURTHER MOVE that the Board of Public Works be authorized to amend contract C-136595 with the Gang Alternatives Program for an amount not to exceed \$900,000 for beautification services within Council District 14; and,

I FURTHER MOVE that the Board of Public Works Office of Community Beautification be instructed to make any technical changes to effectuate the intent of this motion.
