Dear Councilmembers,

RESPONSE #1 TO COMMENT BY APPLICANT AND CITY PLANNERS ALLEGING THAT THERE IS NO PROOF OF FRAUD SUBMITTED TO SUBSTANTIATE CLAIMS OF FRAUD BY THE DEPT. OF CITY PLANNING.

ENV-2022-9090-CE-IA (CF 23-0667)

Initially, I had submitted [ATTACHMENT TO REPORT DATED 6-20-23 - NOTICE OF EXEMPTION](#), which included my initial submittal to the City Planning Commission related to proof of fraud by the Dept. of City Planning in the development of the Solaris PSH HHH Project located at 1141-1145 S Crenshaw (CPC-516-DB-PSH-SIP) in 2020.

For time's sake, the Initial submittal on Page 6 mentioned the exhibits but were not included in the file for 23-0667. This is because the City has the complete file in its possession – over 200 pages - to back my claims.

Proof of fraud involving City Planning in the construction of the Solaris PSH Housing project can be found at:
