SUBJECT

Staff requests authority to award a five-year contract to Sully-Miller Contracting Company dba Blue Diamond Materials, for the supply and delivery of hot mix asphalt, for an amount not to exceed \$15,000,000.

RECOMMENDATIONS

Management RECOMMENDS that the Board of Airport Commissioners:

1. ADOPT the Staff Report.
2. DETERMINE that this action is exempt from the California Environmental Quality Act (CEQA) pursuant to Article III, Class 1(3) and Article II, Section 2.f of the Los Angeles City CEQA Guidelines.
3. APPROVE the award of a contract to Sully-Miller Contracting Company dba Blue Diamond Materials.
4. AUTHORIZE the Chief Executive Officer, or designee, to execute the contract upon approval as to form by the City Attorney and approval of the Los Angeles City Council.

DISCUSSION

1. Purpose

This action will establish a five-year contract for the supply and delivery of hot asphalt mixes at Los Angeles International (LAX) and Van Nuys (VNY) Airports for the operation, repair, maintenance or minor alteration of existing streets, parking lots, aircraft parking areas, runways, and taxiways. The asphalt mixes purchased through the requested contract will allow Los Angeles World Airports (LAWA) employees to replace immediately any damaged or deteriorated airfield surfaces as they are identified, especially if the surfaces are critical to safe aircraft movement and for compliance with the Federal Aviation Administration's (FAA's) Code of Federal Regulations Part 139.

2. Prior Related Actions/History of Board Actions

- **April 6, 2017 – Resolution No. 26203 (DA-5181)**

The Board awarded a five-year contract to Sully-Miller Contracting Company, dba Blue Diamond Materials, for an amount not to exceed \$8,660,000 for hot asphalt mixes at LAX and VNY. This contract expired on July 13, 2022.

3. Background

Los Angeles World Airports Facilities Management Division (FMD) is responsible for the maintenance and repair of over 40,000,000 square feet of asphalt pavement. This area is divided between airside and landside locations and includes taxiways, runway safety areas, parking lots, and streets in and around LAX and VNY. Proper asphalt maintenance is essential to public safety, and deferral of this maintenance can result in early pavement failure, produce foreign object debris, or create ruts that can cause unsafe landings and takeoffs or damage vehicles and aircraft.

The airport environment is unique in its asphalt pavement needs due to the weight requirements of runways and taxiways, skid resistance, and surface water drainage. As a result of these unique conditions, LAWA sets out specific criteria, regulated by the FAA, that establish minimum standards for safety and operations. Some of these criteria include the types of asphalt mix needed, time, and the temperature in which the asphalt is delivered and applied.

Most repaving projects in the airport environment require extensive planning and preparation with both internal and external stakeholders to minimize operational impacts. Staff from

LAWA's airside and landside operations, engineering, and maintenance divisions meet monthly at the Airport Pavement Management System (APMS) working group to plan the scope of work, develop engineering plans, and schedule all airside and landside asphalt projects. Once the projects are identified, the group meets with the FAA air traffic control tower to identify the need for aircraft movement area closures or restrictions and sets a schedule. After the projects are scheduled, staff meets with all tenants and airlines to notify them of upcoming work and communicates the closed areas and project steps. The project steps may include removing the existing surface layer to a uniform thickness, transporting asphalt millings to temporary storage laydown, cleaning the intended area, applying a coat of asphalt emulsion, and/or delivering new hot mix asphalt material.

Additionally, LAWA manages the inspection, rating, maintenance, and replacement of paved surfaces utilizing an APMS to rate and plan the repairs and replacement schedule to meet FAA Part 139 requirements. All asphalt needs to be quality tested, and material testing is required for all airfield pavement projects per Federal Aviation Regulation FAA Advisory Circular 150/5370-10G. According to FAA regulations, all LAWA asphalt pavement projects will need to be tested for strict adherence to the American Society for Testing and Materials standards.

Paved surfaces must be maintained to Part 139 specification. The pavement must be repaired or replaced when: 1) pavement begins to break apart; 2) uneven surfaces exist; 3), potholes develop as asphalt deteriorates due to heavy load; 4) water damage occurs; and 5) pavement reaches the end of its lifecycle. The FAA ensures that airports with Airport Operating Certificates are meeting the pavement requirements of Part 139 by having annual inspections or unannounced inspections. If the FAA finds that an airport is not meeting its obligations, it often imposes an administrative action and/or a financial penalty for each day the airport continues to violate a Part 139 requirement. In extreme cases, the FAA might revoke the airport's certificate or limit the areas of an airport where air carriers can land or takeoff. To continue meeting FAA obligations since the expiration of the prior contract, LAWA FMD staff has purchased hot asphalt mix by means of Emergency Purchase Orders expending \$300,000 to-date.

4. Current Action/Rationale

During the prior five-year asphalt supply and delivery contract, LAWA deferred the maintenance of non-critical pavement projects, including Transportation Network Company (TNC) and South Parking Lot repairs, as part of cost-saving measures. At this time, LAWA needs to address areas where there is a potential for pavement failure, repair roadways that have been damaged by recent weather events and maintain paved locations that are newly assigned to LAWA. The LAWA FMD staff expects to repair or replace over 2,500,000 square feet of asphalt using over 95,000 asphalt tonnage during this contract. In addition, LAWA recently acquired a new profiler, specialized equipment for removing asphalt and concrete, that will allow staff to prepare more surface area for asphalt, resulting in the acceleration of project schedules so that more projects can be completed within the term of this contract. Due to the higher material and delivery costs, the fluctuating costs of crude oil, the need to complete deferred maintenance projects, the addition of roadways that must maintained, and the ability to complete projects more efficiently due to new equipment, LAWA staff request a higher contract authority than what was used under the prior contract.

5. Selection Process

On October 6, 2022, staff posted Request for Bids (RFB) No. #121-078 on the Regional Alliance Marketplace (www.RAMPla.org) website for the supply and delivery of hot asphalt mixes.

The RFB had an original closing date of November 10, 2022. Staff amended the Specifications to adjust the formula for the Oil Price Index, which determines the pricing for Asphalt Mixes. Staff posted Addendum No. 1 and the RFB closed on November 17, 2022. Staff received one bid from Blue Diamond Materials, dba Sully-Miller Contracting Company.

COMPANY NAME	BID	LBPP DISCOUNT	EVALUATION BID AMOUNT
Sully-Miller Contracting Company dba Blue Diamond Materials	\$2,619,000	(\$209,520)	\$2,409,480

Contract specifications were narrowed due to the FAA regulated criteria of type of asphalt mix needed, time and temperature in which the asphalt is delivered and applied. Asphalt mixes are fundamental to the timely completion of projects. In order to meet the temperature application requirements of hot asphalt, defined as no less than 300 degrees Fahrenheit, LAWA staff included a requirement in the Request for Bids that the vendor's plant(s) must be no more than 20 miles from the delivery site to the airports. Asphalt mixes must maintain the constant temperature as stated above, and the delivery trucks must be insulated to maintain the mix at the appropriate temperature. Any deliveries made from locations outside of the 20-mile limit would not be able to maintain the correct temperature due to the anticipated travel time; consequently, the asphalt could not be used. Up to 17 different types of asphalt mixes are used across the airport and on the streets and parking lots that LAWA is responsible for maintaining. The amount of material needed will vary based on the size and scope of a project, but may require an uninterrupted supply and delivery of up to 500 tons per hour of hot asphalt mixes.

Staff determined that Sully-Miller Contracting Company dba Blue Diamond Materials was the sole responsive bidder and met all LAWA requirements. Sully-Miller Contracting Company dba Blue Diamond Materials has a plant located 3.4 miles from LAX in the City of Inglewood, and a plant in Sun Valley that is 8.0 miles from VNY, which produce the designated P401 mix, and can will allow for the delivery of hot asphalt mix within the required temperature range. Staff also researched cost estimates of similar work performed at locations in and around LAWA and determined that the pricing proposed by Sully-Miller Contracting Company dba Blue Diamond Materials is comparable, and often lower, for similar services.

Twenty-four different vendors viewed the RFB. Following the close of the RFB, staff contacted other vendors who viewed it on RAMPla.org, to ask why they did not submit a bid, and two vendors responded. Victory Resources stated that they lacked the proper trucking equipment to perform the services LAWA needs, and, as a delivery company only, could not produce the asphalt mixes as required in the Specifications. Vulcan Materials Company explained that they were interested in submitting a bid, but their plant was not located within the 20-mile radius as stated in the specification.

6. Fiscal Impact

Costs for this contract will be recovered through landing fees, terminal rates and charges, and non-aeronautical revenues.

Under the prior contract No. DA-5181 with Sully-Miller, LAWA expended \$7,747,209.68, or 89.5 percent of the contract's authority. Contract DA-5181 expired on July 13, 2022. Pricing for asphalt mixes under the prior contract was approximately \$62 per ton. Due to rising costs of raw materials since the onset of the COVID-19 pandemic, pricing for asphalt mixes is now approximately \$90 per ton. Delivery costs have increased from \$9.50 per ton to \$16 per ton.

Pricing for asphalt is determined by a formula that combines the bid amount for the asphalt mixes, an industry-standard oil index adjustment, the delivery cost, and labor cost for standing/working time. The oil index adjustment is updated each month, and all suppliers must use the same rate. The amount that LAWA will pay for asphalt will therefore fluctuate month over month based on the price of crude oil. Costs have increased for weekends and after-hour projects, and many of the asphalt paving projects are completed during weekends or off-hours, based on operational needs.

7. Alternatives Considered

- **Take No Action**

If this item were deferred, LAWA would lack the means to procure asphalt mixes needed to maintain, repair, and reconstruct runways, taxiways, service roads, surface streets, parking lots, and other paved areas which could lead to regulatory code violations and unsafe conditions.

- **Direct Award**

Staff contemplated direct award to Sully Miller Contracting Company, dba Blue Diamond Materials, the incumbent vendor, as their plants are local to both Van Nuys Airport and Los Angeles International Airport. However, since other vendors can provide similar services, staff proceeded with a competitive bid process.

APPROPRIATIONS

Funds for this contract are available in the Fiscal Year 2022–2023 Los Angeles World Airports Operating Budget in LAX Cost Center 1150045 – Asphalt Paving & Construction Unit and VNY Cost Center 1400003 – VNY Maintenance Service, Commitment item 522 – Materials and Supplies. In the event Contractor fails to abide by the terms, covenants and conditions of this Contract, or if the services and/or delivery of materials under this Contract fall below an acceptable level as determined by LAWA, LAWA shall notify the Contractor in writing of the defect, default or problem. If the same is not corrected, or substantial steps are not taken toward accomplishing such correction within two (2) calendar days after LAWA’s mailing of the notification, LAWA may, at its sole discretion, (a) terminate this Contract forthwith upon giving Contractor a ten (10) day written notice, or (b) withhold any further payment for Contractor’s services until such defect, default or problem is corrected within the time specified by LAWA. If the defect, default or problem is still not corrected within that time, LAWA may terminate the Contract forthwith by giving Contractor a ten (10) day written notice.

13.3 Upon notice (written or otherwise) to the Contractor of LAWA’s decision to terminate the contract, the Contractor shall immediately surrender to LAWA all LAWA property including, but not limited to, items of authority (badges, permits, etc. issued by LAWA) that are in the possession, custody, and care of the Contractor and/or its agent(s).

Section 14.0 Advertisements. Contractor shall not, at any time, under any circumstances, install, place, or maintain any type of advertising, on or at the Airports.

Section 15.0 Compliance With Applicable Laws.

15.1 Contractor shall, at all times during the performance of its obligations under this Contract, comply with all applicable present and/or future local, LAWA, State and Federal laws, statutes, ordinances, rules, regulations, restrictions and/or orders, including the hazardous waste and hazardous materials regulations, and the Americans With Disabilities Act of 1990. Contractor shall be solely responsible for any and all damages caused, and/or penalties levied, as the result of Contractor's noncompliance with such enactments. Further, Contractor agrees to cooperate fully with the City in its efforts to comply with the Americans With Disabilities Act of 1990 and any amendments thereto, or successor statutes.

15.2 Should Contractor fail to comply with this Section, then LAWA shall have the right, but not the obligation, to perform, or have performed, whatever work is necessary to achieve equal access compliance. Contractor will then be required to reimburse LAWA for the actual cost of achieving compliance, plus a fifteen percent (15%) administrative charge.

Section 16.0 Business Tax Registration.

16.1 Contractor represents that it has registered its business with the City Clerk of City and has obtained, and presently holds, from that Office a Business Tax Registration Certificate, or a Business Tax Exemption Number, required by the City's own Business Tax Ordinance (Article 1, Chapter 2, Sections 21.00 and following, of City's Municipal Code).

16.2 Contractor shall maintain, or obtain as necessary, all such Certificates required of it under said Ordinance and shall not allow any such Certificate to be revoked or suspended during the term hereof.

Section 17.0 Insurance.

17.1 Contractor shall procure at its expense, and keep in effect at all times during the term of this Contract, the types and amounts of insurance specified on the Insurance Requirements for Los Angeles World Airports, Exhibit B, attached hereto and incorporated by reference herein.

17.2 The specified insurance (except for Workers' Compensation and Employers' Liability) shall also, either by provisions in the policies, by the City's own endorsement form or by other endorsement attached to such policies, include and insure the City, LAWA, the Board, and all of its officers, employees and agents, their successors and assigns, as additional insureds, against the areas of risk described in this Section as respects Contractor's acts or omissions arising out of the performance of this Contract, Contractor's acts or omissions in its operations, use and occupancy of the premises hereunder or other related functions performed by or on behalf of Contractor at the Airports.

17.3 Waiver of Subrogation. For Commercial General Liability Insurance, Workers' Compensation Insurance, and Employers' Liability Insurance, the insurer shall agree to waive all

rights of subrogation against City for losses arising from activities and operations of Contractor insured in the performance of Services under this Contract.

17.4 Sub-contractors. Contractor shall include all of its sub-contractors as insureds under its policies and shall furnish separate certificates and endorsements for each sub-contractor. All coverages for sub-contractors shall be subject to all of the requirements stated herein unless otherwise agreed to in writing by the CEO and approved as to form by the City Attorney.

17.5 Each specified insurance policy (other than Workers' Compensation and Employers' Liability) shall contain a Severability of Interest (Cross Liability) clause which states, "It is agreed that the insurance afforded by this policy shall apply separately to each insured against whom claim is made, or suit is brought, except with respect to the limits of the company's liability." Additionally, Contractor's Commercial General Liability policy ("Policy") shall provide Contractual Liability Coverage, and such insurance as is afforded by the Policy shall also apply to the tort liability of the City assumed by the Contractor under this Contract.

17.6 All such insurance shall be primary and noncontributing with any other insurance held by LAWA where liability arises out of, or results from, the acts or omissions of Contractor, its agents, employees, officers, invitees, assigns, or any person or entity acting for, or on behalf of, Contractor.

17.7 Such policies may provide for reasonable deductibles and/or retentions acceptable to the CEO, based on the nature of Contractor's operations and the type of insurance involved.

17.8 City shall have no liability for any premiums charged for such coverage(s). The inclusion of the City, LAWA, its Board, and all of its officers, employees and agents, and their agents and assigns, as additional insureds, is not intended to, and shall not, make them, or any of them, a partner or joint venturer of Contractor in its operations at the Airports.

17.9 In the event Contractor fails to furnish LAWA evidence of insurance, or to maintain the insurance as required under this Section, LAWA, upon ten (10) days' prior written notice to Contractor of its intention to do so, shall have the right to secure the required insurance at the cost and expense of Contractor, and Contractor agrees to promptly reimburse City for the cost thereof, plus fifteen percent (15%) for administrative overhead.

17.10 At least ten (10) days prior to the expiration date of any of the above policies, documentation showing that the insurance coverage has been renewed or extended shall be filed with City. If any such coverage is cancelled or reduced, Contractor shall, within fifteen (15) days of such cancellation or reduction of coverage, file with LAWA evidence that the required insurance has been reinstated, or is being provided through another insurance company or companies.

17.11 Contractor shall provide proof of all specified insurance and related requirements to LAWA either by production of the actual insurance policy(ies), by use of LAWA's own

endorsement form(s), by broker's letter acceptable to the CEO in both form and content in the case of foreign insurance syndicates, or by other written evidence of insurance acceptable to the CEO. The documents evidencing all specified coverages shall be filed with LAWA prior to the Contractor performing the Services hereunder. Such documents shall contain the applicable policy number(s), the inclusive dates of policy coverage(s), the insurance carrier's name(s), and they shall bear an original or electronic signature of an authorized representative of said carrier(s). Should any of the above required policies be cancelled before the expiration date thereof, notice will be given in accordance with the policy provisions.

17.12 City and Contractor agree that the insurance policy limits specified in this Section shall be reviewed for adequacy annually throughout the term of this Contract by the CEO, who may thereafter require Contractor to adjust the amount(s) of insurance coverage(s) to whatever amount(s) the CEO deems to be adequate. LAWA reserves the right to have submitted to it, upon request, all pertinent information about the agent(s) and carrier(s) providing such insurance.

Section 18.0 Disabled Access.

18.1 As directly related to Contractor's responsibilities with regard to this Contract, Contractor shall be solely responsible for fully complying with any and all applicable present and/future rules, regulations, restrictions, ordinances, statutes, laws, and/or orders of any federal, state, and/or local governmental entity and/or court regarding disabled access including any services, programs, improvements or activities provided by Contractor. Contractor shall be solely responsible for any and all damages caused by, and/or penalties levied as the result of, Contractor's noncompliance. Further, Contractor agrees to cooperate fully with the City in its efforts to comply with the Americans With Disabilities Act of 1990 and any amendments thereto, or successor statutes.

18.2 Should Contractor fail to comply with Section 18.1, if applicable, then LAWA shall have the right, but not the obligation, to perform, or have performed, whatever work is necessary to achieve equal access compliance. Contractor will then be required to reimburse LAWA for the actual cost of achieving compliance, plus a fifteen percent (15%) administrative charge.

Section 19.0 Nondiscrimination and Equal Employment Practices/Affirmative Action Program.

19.1 During the term of this Contract, Contractor agrees and obligates itself in the performance of this Contract not to discriminate against any employee or applicant for employment because of the employee's or applicant's race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition. Contractor shall take affirmative action to ensure that applicants for employment are treated, during the term of this Contract, without regard to the aforementioned factors and Contractor shall comply with the affirmative action requirements of Los Angeles Administrative Code Sections 10.8, et seq., or any successor ordinances or laws pertaining to discrimination.

19.2 During the performance of this Contract, Contractor agrees to comply with Section 10.8.3 of the Los Angeles Administrative Code ("Equal Employment Practices"), including any future amendments thereto, which is incorporated herein by this reference. By way of specification, but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of said Administrative Code, the failure of Contractor to comply with the Equal Employment Practices provisions of this Contract may be deemed to be a material breach of this Contract. No such finding shall be made, nor penalties assessed, except upon a full and fair hearing after notice and an opportunity to be heard has been provided to Contractor. Upon a finding duly made that Contractor has failed to comply with said Equal Employment Practices provisions of this Contract, this Contract may be forthwith terminated, cancelled or suspended.

19.3 During the performance of this Contract, Contractor agrees to comply with Section 10.8.4 of the Los Angeles Administrative Code ("Affirmative Action Program"), including any future amendments thereto, which is incorporated herein by this reference. No such finding shall be made, nor penalties assessed, except upon a full and fair hearing after notice and an opportunity to be heard has been provided to Contractor. Upon a finding duly made that Contractor has failed to comply with the Affirmative Action Program provisions of this Contract, this Contract may be forthwith terminated, cancelled or suspended.

19.4 All subcontracts awarded under this Contract shall contain similar provisions and Contractor shall require each of its subcontractors to complete a like certification and to submit to it an Affirmative Action Plan acceptable to LAWA.

19.5 Contractor also agrees to comply with the provisions of Article 3 of Chapter 1, Part 7, Division 2 of the Labor Code of the State of California, and with all other applicable statutes, ordinances, and regulations relative to employment, wages, and hours of labor.

Section 21.0 Contractor Responsibility Program.

This assignment is made and becomes effective at the time LAWA tenders final payment to the Proposer.

REQUEST FOR BIDS- LOCAL BUSINESS PREFERENCE PROGRAM (LBPP)
Board of Airport Commissioners Resolution No. 24781**

Effective July 1, 2012

Local Business Prime	8%
----------------------	----

Or

Local Business Subcontractor (s)	Up to 5%
----------------------------------	----------

MANDATORY LOCAL BUSINESS PREFERENCE PROGRAM (LBPP) FOR USE ON LAWA-FUNDED CONTRACTS GREATER THAN \$150,000.00

A. General

This program is subject to the policies and requirements established by the Board of Airport Commissioners (BOAC). LAWA established the LBPP as part of its commitment to help local businesses participation in LAWA contracts. The LBPP seeks to leverage funds expended under contracts to stimulate local business activities, encourage businesses to set up operations locally, and to augment local job creation efforts. It will also lay a foundation for a sustainable local economic development by promoting the creation, expansion, and retention of local businesses. **LAWA shall opt out when the contract is funded by a grant or is federally-funded and funding regulations prohibit the funding recipient from implementing the LBPP on the resulting contract. Secondly, LAWA can opt out of the program when full and open competition is limited because of a sole source vendor, provider, or supplier. Failure to comply shall result in investigations by the Bureau of Contract Administration/ Office of Contract Compliance (BCA/OCC) in its role as the Designated Administrative Agency. However, LAWA is entitled to determine at anytime that it is not in LAWA's best interest to grant a Bid preference to a qualifying Local Business, Local Subcontractor, or Provisionally Qualified Local Business.**

B. Participation Criteria for Local Business Preference Program

To be eligible for participation in this program, LAWA requires that the prospective local business submit an affidavit attesting as such on the Los Angeles Business Assistance Virtual Network (LABAVN) website. An affidavit form is attached and is also available to be downloaded on the LABAVN website at <http://www.labavn.org>. Determination of qualification as a local business by any other entities, other than BCA/OCC, or by any other means other than submission of an affidavit on LABAVN shall not be accepted for purposes of participation in the LBPP. Affidavit forms are prioritized according to the date they are received. The local business must be listed on LABAVN as such prior to the bid due date in order to participate in the LBPP. In cases where the affidavit was submitted prior to the proposal deadline but has not been verified by BCA/OCC and the local business designation would result in a change of award recommendation, status as a local business will be based on the date it was submitted.

9. "Provisionally Qualified Local Business" means a business entity that is yet to establish operations within the County, and does not immediately qualify as a local business under the Los Angeles Administrative Code. However, the business is provisionally qualified as a local business because it is undertaking imminent steps to qualify as a local business as defined by Article 21, Section 10.47.3. No later than 60 days after the date on which the Contract with LAWA is awarded, but prior to execution of the contract, the Provisionally Qualified Local Business must become a qualified Local Business.
10. "Supplier" and/or "Regular Dealer" means a business that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment of the general character described by the specifications and required under the contract are bought, kept in stock, and regularly sold or leased to the public in the usual course of business. Additionally, the firm must be an established, regular business that engages, as its principal business and under its own name, in the purchase and sale or lease of the products in question. Packagers, brokers, manufacturers' representatives, or other persons who arrange or expedite transactions are not regular dealers. A person may be a regular dealer in such bulk items as petroleum products, steel, cement, gravel, stone, or asphalt without owning, operating, or maintaining a place of business as previously described if the person both owns and operates distribution equipment for the products. Any supplementing of regular dealers'

own distribution equipment shall be by a long-term lease agreement and not on an ad hoc or contract-by-contract basis.

D. Local Business Preference Program Participation Recognition

1. Qualifying contractors who participate in the LBPP by qualifying as a local business will receive an 8% preference credit to their bid in excess of \$150,000.00 or bids in excess of \$1,000,000.00 if a Provisionally Qualified Local Business.
2. Qualifying contractors who participate in the LBPP but do not qualify as a local business, but however are qualified because they identify a qualified local subcontractor to perform the work under the contract will receive up to a 5% preference credit to their bids.
 - a. LAWA shall provide a 1% preference, up to a maximum of 5%, to the proposal price for every 10% of the cost of the proposed work to be performed by the local subcontractor. This rule applies to a local subcontractor or local subcontractors; provided that the work performed is of a commercially useful purpose in execution of the contract and/or performed in the subcontractor's normal course of business. The work performed and all costs of each local subcontractor or subcontractors should be clearly specified in the proposal.
3. Preferences shall only be awarded to a Local Business or Local Subcontractor when the services provided under the contract are directly provided by its employees whose primary work location is in Los Angeles. Preferences shall only be awarded for equipment, goods or materials when the Local Business or Local Subcontractor acts as a supplier or dealer (not less than two thirds of the time), or designs, manufactures, or assembles the equipment, goods or materials (not less than two thirds of the time), at a business location in the City.
4. A Provisionally Qualified Local Business who participates in the LBPP by qualifying as a local business will receive an 8% preference credit to its bids, as long as the proposed contract between the business and LAWA involves consideration no less than \$1,000,000.00 and has duration of no less than three (3) years.
 - a. To participate in the program a proposed Provisionally Qualified Local Business must download and complete a Provisionally Qualified Local Business affidavit form at www.bca.lacity.org, which it shall attach and submit with its bid documents to LAWA.
5. A Provisionally Qualified Local Business shall lose its status as such when it fails to fully comply as a local business within 60 days after the date on which the Contract with LAWA is awarded. LAWA shall notify the Provisionally Qualified Local Business thirty (30) days to the anniversary of the second month notifying the business that it comply as a local business or contract award will be rescinded. Loss of status as a Provisionally Qualified Local Business is permanent; closure forbids a business from qualifying as a Provisionally Qualified Local Business in the future for purposes of bidding on LAWA Contracts.
6. Once a Provisionally Qualified Local Business is notified by LAWA of its intent to award a contract, the Provisionally Qualified Local Business shall submit all of the following; (1) an enforceable, contractual right to occupy commercial space within the County, which shall commence no later than 60 days after the date of the execution of the contract; (2)

a business plan on its ability to become a Local business; (3) any other sufficient documentation required by LAWA.

All required supporting documentation/ evidence demonstrating qualification as a Provisionally Qualified Local Business must be submitted to LAWA within 30 days of request.

- a. If LAWA is satisfied with documentation submitted by the Provisionally Qualified Local Business, and it determines that it shall award the business the contract, LAWA prior to the execution of the contract shall send BCA a memo stating that the business was able to demonstrate that it qualifies as a Provisionally Qualified Local Business, the memo shall also list the documents received by LAWA, and recommend that BCA determine the business to be a Provisionally Qualified Local Business.
7. The maximum preference for all qualifying local businesses, local subcontractor(s), and provisionally qualified local businesses shall not exceed \$1,000,000.00 for any bid.
8. A bid preference does not reduce the contract amount.
9. In the event where a certified Local business bids on a LAWA contract, and is determined by LAWA after the bid deadline to not qualify as a Local Business, the business will be eligible for a Local Subcontractor Preference of up to 5 percent, if it has identified a qualifying Local Subcontractor(s) to perform work under the contract.
 - a. The above exemption shall only apply where the non-compliance is an error or mistake. It shall not apply to a business that intentionally or fraudulently claims to be a Local Business through misleading or false statements.
 - b. It is the responsibility of the business registered on LABAVN as a certified Local Business to inform BCA via email at bca.certifications@lacity.org, that it no longer meets the certification criteria within seven days of the change. Failure to do so shall be construed as a misleading and/or false statement.
10. Upon receipt of information believed by LAWA to be reliable and which indicates that the Local Business no longer qualifies as a Local Business for more than 60 days during the entire time of the Contract, LAWA shall withhold or recover funds from the Contractor in an amount that represents the value of the bid preference.
11. Upon receipt of information believed by LAWA to be reliable and which indicates that the Local Subcontractor (s) no longer qualifies as a Local Business, providing the basis for a Local Subcontractor Preference and the Prime Contractor fails to replace the Subcontractor (s) with another Local Subcontractor (s) within 60 days of notification by LAWA. LAWA shall withhold or recover funds from the Contractor in an amount that represents the value of the bid preference.
12. In the event that investigations reveal that a business fraudulently represents itself as a Local Business for the purpose of gaining a preference under the LBPP, the business shall lose its status as such for up to five years. This will also apply to any business that has received a preference, but failed to maintain its Local Business qualification for a cumulative of 60 days during the entire time of the contract.

E. Complaints and Protests

1. All complaints and/or protests regarding qualifying local businesses, provisionally qualified local businesses, and local subcontractors claiming non-compliance by LAWA or its failure to maintain certification criteria, shall be made to the BCA/OCC either in writing or by email for further investigations. Complaints must be accompanied by documentation which substantiates complainant's allegations.

INTRODUCTION

Bidders who respond to certain City contract solicitations are limited by City law in their ability to spend money in connection with City elections. They are prohibited from making campaign contributions to and engaging in prohibited fundraising activity for City candidates and officeholders. They are also required to disclose their identities and the identities of their subcontractors and principals. Form 55 must be used for that purpose, and these instructions provide information about how to complete the form.

BIDDER RESPONSIBILITIES

A bidder is any person who bids on or submits a proposal or other response to a City contract solicitation, whether it involves a competitive or a non-competitive selection process.

You are a bidder required to complete Form 55 when all of the following apply:

- You submit a response or proposal for an RFP (request for proposals), RFQ (request for qualifications), RFB (request for bids), or any other written or verbal request to enter into a competitive or non-competitive City contract; and
- The contract is expected to be valued at \$100,000 or more; and
- The contract must be approved by an elected office (City Council, Mayor, City Controller, or City Attorney).

For purposes of Form 55, a **contract** is any agreement, franchise, lease, non-regulatory permit, land use license or easement, or concession with the City that meets the qualifications listed above. This includes an agreement for the performance of any work, service, or construction; the provision of any materials, goods, or equipment; the sale or purchase of property; and the making of grants. This also includes the selection of a pre-qualified list of persons to contract with the City if the RFQ's not-to-exceed amount is at least \$100,000 and the list selection requires approval by an elected City office. The definition does *not* include a contract with another government agency or a contract between a City proprietary department and an underwriting firm for a noncompetitive sale of revenue bonds.

Form 55 is used to disclose information about the following individuals and entities:

- You (the bidder);
- Your principals;
- Your subcontractors with subcontracts valued at \$100,000 or more; and
- The principals of those subcontractors.

The campaign finance restrictions and requirements in Los Angeles City Charter § 470(c)(12) and Los Angeles Municipal Code § 49.7.35 apply to all of those individuals and entities. They are subject to the laws because of the positions they hold in relation to a City bid, not because they are disclosed on your Form 55. See section G for more information.

You are required to do all of the following:

1. **Submit** a completed Form 55 with your bid or proposal documents to the City department awarding the contract.
2. **Amend** your Form 55 within 10 business days if the information in the form changes after you submit it with your bid or proposal.
3. **Notify** your principals and subcontractors of the campaign finance restrictions and requirements that apply to them.

PAGE 1: COVER PAGE AND BIDDER INFORMATION

You must complete all sections on the cover page.

A. ORIGINAL OR AMENDED FILING

ORIGINAL FILING

Check this box if this is the first time you are submitting a Form 55 in connection with the City contract that you are currently seeking or have been awarded.

AMENDMENT

Check this box if you are making changes to a Form 55 that you previously submitted in connection with the same City contract that you are seeking or have been awarded. For an amended filing, you must provide the later of:

- The date that your original Form 55 submission was signed; or
- The date that your most recent amendment was signed.

Example 1: Your law firm submitted a Form 55 last month when responding to an RFP from the City Attorney's Office for legal services. Your law firm is now responding to an RFP with the Port of Los Angeles for a different contract to provide legal services. Check the "Original Filing" box on the Form 55 submitted to the Port, because this is the first time your firm is submitting Form 55 in connection with the contract with the Port.

Example 2: Your company submitted a Form 55 last week when responding to an RFP from the Department of Water and Power (DWP) for construction services. This week, your company moved its offices to a new location. Your company is required to update its contact information on the Form 55 submitted with its proposal. On a new Form 55, check the "Amendment" box, because your company is submitting an updated version of the Form 55 that was already submitted in connection with the construction services contract.

B. REFERENCE NUMBER

If applicable, provide the bid number, contract number, BAVN ID, or other identifying number or code assigned to the bid or contract that you seek. You can usually find this number on the City solicitation package (e.g., the RFP documents). However, not all solicitations have a reference number.

If there is no reference number for the bid or contract, enter "N/A" in this box.

C. DATE BID SUBMITTED

Enter the date that you submit your bid or response documents to the City department that will be awarding the contract.

D. CONTRACT DESCRIPTION

Provide the following information in this section:

- Title of the RFP, RFQ, or RFB, as listed on the City solicitation documents; and
- Description of the services to be provided under the contract.

A brief description of the contract is usually given in the RFP, RFQ, RFB, or solicitation documents. If you cannot find one, describe what will be performed under the contract.

E. AWARDING AUTHORITY

Provide the name of the City department that will be awarding the contract you seek.

F. BIDDER INFORMATION

Provide all of the following information:

- Bidder's full legal name;
- Bidder's business address;
- Bidder's phone number; and
- Bidder's email address.

The email address and telephone number provided in this section will be used to contact you if there are questions about the information provided in your Form 55.

Remember to amend your Form 55 to keep this information current.

G. SCHEDULE SUMMARY

ITEM 1: BIDDER'S PRINCIPALS

Indicate whether you have one or more principals. Check only one box ("Yes" or "No").

A **principal** is any of the following:

- Board chair;
- President;
- Chief executive officer;
- Chief operating officer;
- An individual who serves in the functional equivalent of any of the above positions;
- An individual who holds an ownership interest of 20% or more; or
- An employee authorized to represent you before the City regarding this contract.

Example 1: You are putting together a proposal for a City contract on behalf of your employer, ABC, Inc. The proposal must include a Form 55. Because ABC, Inc. is an entity, you must check the "Yes" box and disclose ABC, Inc.'s principals on attached Schedule A pages.

Example 2: You are an individual submitting a proposal for a City contract and must complete a Form 55. You have two employees who are authorized to represent you before the City on this proposal. You must check the "Yes" box and disclose yourself and those employees as your principals on attached Schedule A pages.

All bidders who are entities are required to complete Schedule A. Most bidders are entities, so most bidders must check the "Yes" box and attach Schedule A pages to the cover page.

Attach to the cover page as many Schedule A pages as necessary to identify all of your principals.

ITEM 2: SUBCONTRACTORS AND THEIR PRINCIPALS

Indicate whether you have one or more subcontractors with subcontracts valued at \$100,000 or more on the City contract you seek. Check only one box ("Yes" or "No").

Example 1: Your construction company is submitting a response to a City RFP to provide construction services on a development project and must submit a Form 55. For the proposed project, you expect to hire ABC Company as a subcontractor that will perform \$50,000 worth of work and XYZ Corporation as another subcontractor that will perform \$200,000 worth of work. Check the "Yes" box and attach Schedule B pages to disclose XYZ Corporation and its principals.

Example 2: Your architecture firm is submitting a response to a City RFP to provide landscape design services at a new park, and a Form 55 is required. For the proposed project, you expect to hire two subcontractors: More Sunshine, Inc., which will provide consulting services worth \$30,000; and Beautiful Parks Company, which will perform \$85,000 worth of the work. Check the "No" box, indicating that you do not have any subcontractors with subcontracts valued at \$100,000 or more.

Attach to the cover page as many Schedule B pages as necessary to identify all of your subcontractors and their principals.

ITEM 3: TOTAL NUMBER OF PAGES SUBMITTED

Enter the total number of Form 55 pages that you are submitting, including the cover page and all attached Schedule A and B pages.

H. CERTIFICATION

Form 55 must be signed by an authorized representative of the bidder. By signing this section, you are certifying under penalty of perjury all of the following:

- You understand and will comply with the requirements and restrictions in Los Angeles City Charter § 470(c)(12) and Los Angeles Municipal Code § 49.7.35;
- You have notified your principals and subcontractors of the requirements and restrictions; and
- The information you provided in the Form 55 and all attached pages is true and complete to the best of your knowledge and belief.

PAGE 2: SCHEDULE A – BIDDER'S PRINCIPALS

You must complete this section if you have principals. If you are an entity, this section is required. You must disclose the name, title, and business address for each of your principals. For a definition of "principal", see the instructions for Page 1, Section G.

If you need more space, mark the box indicating that you are attaching additional Schedule A pages. You may attach as many additional Schedule A pages as necessary to disclose all of your principals.

Remember to include all Schedule A pages in the total page count on your cover page and attach them to the cover page.

PAGE 3: SCHEDULE B – SUBCONTRACTORS AND THEIR PRINCIPALS

You must complete this section if you will have subcontractors with subcontracts worth \$100,000 or more. You must disclose the names and business addresses of those subcontractors and the names, titles, and business addresses of their principals. For a definition of "principal", see the instructions for Page 1, Section G.

You must submit at least one Schedule B page for each subcontractor. Provide the name and business address of the subcontractor, and then mark the appropriate box to indicate whether the subcontractor has principals.

If a subcontractor has more principals than will fit on one page—or if you have multiple subcontractors to disclose—mark the box indicating that you are attaching additional Schedule B pages. You may attach as many additional Schedule B pages as necessary to disclose all of your subcontractors with subcontracts worth \$100,000 or more and all of their principals.

Remember to include all Schedule B pages in the total page count on your cover page and attach them to the cover page.

Prohibited Contributors (Bidders)

This form must be completed in its entirety and submitted with your bid or proposal to the City department that is awarding the contract. Contractor Responsibility Program

**LOS ANGELES WORLD AIRPORTS
CONTRACTOR RESPONSIBILITY PROGRAM
QUESTIONNAIRE**

On December 4, 2001, the Board of Airport Commissioners adopted Resolution No. 21601, establishing LAWA's Contractor Responsibility Program (CRP). The intent of the program is to ensure that all LAWA contractors have the necessary quality, fitness and capacity to perform the work set forth in the contract. To assist LAWA in making this determination, each bidder/proposer is required to complete and submit with the bid/proposal the attached CRP Questionnaire. If a non-competitive process is used to procure the contract, the proposed contractor is required to complete and submit the CRP Questionnaire to LAWA prior to execution of the contract. Submitted CRP questionnaires will become public records and information contained therein will be available for public review for at least fourteen (14) calendar days, except to the extent that such information is exempt from disclosure pursuant to applicable law.

The signatory of this questionnaire guarantees the truth and accuracy of all statements and answers to the questions herein. Failure to complete and submit this questionnaire may make the bid/proposal non-responsive and result in non-award of the proposed contract. During the review period if the bidder/proposer or contractor (collectively referred to hereafter as "bidder/proposer") is found non-responsible, he/she is entitled to an Administrative Hearing if a written request is submitted to LAWA within ten (10) working days from the date LAWA issued the non-responsibility notice. Final determination of non-responsibility will result in disqualification of the bid/proposal or forfeiture of the proposed contract.

All Questionnaire responses must be typewritten or printed in ink. Where an explanation is required or where additional space is needed to explain an answer, use the CRP Questionnaire Attachment A. Submit the completed and signed Questionnaire and all attachments to LAWA. Retain a copy of this completed questionnaire for future reference. Contractors shall submit updated information to LAWA within thirty (30) days if changes have occurred that would make any of the responses inaccurate in any way.

IRAN CONTRACTING ACT OF 2010 COMPLIANCE AFFIDAVIT

(California Public Contract Code Sections 2200-2208)

The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A bidder who "engages in investment activities in Iran" is defined as either:

1. A bidder providing goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including provision of oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
2. A bidder that is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2203(b) as a person engaging in the investment activities in Iran.

The bidder shall certify that at the time of submitting a bid for new contract or renewal of an existing contract, the bidder is **not** identified on the DGS list of ineligible businesses or persons and that the bidder is **not** engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts (PCC § 2205).

To comply with the Iran Contracting Act of 2010, the bidder shall provide its vendor or financial institution name, and City Business Tax Registration Certificate (BTRC) if available, in completing **ONE** of the options shown below.

OPTION #1: CERTIFICATION

Insurance

Contractor shall procure at its own expense, and keep in effect at all times during the term of this Agreement, the types and amounts of insurance specified herein. The specified insurance shall also, either by provisions in the policies or by endorsement attached to such policies, specifically name the City of Los Angeles, Los Angeles World Airports, its Board of Airport Commissioners (hereinafter referred to as "Board"), and all of its officers, employees, and agents, their successors and assigns, as additional insureds, against the area of risk described herein as respects Contractor's acts or omissions in its operations, use and occupancy of the premises hereunder or other related functions performed by or on behalf of Contractor on Airport.

With respect to Workers' Compensation, the Contractor shall, by specific endorsement, waive its right of subrogation against the City of Los Angeles, Los Angeles World Airports, its Board, and all of its officers, employees and agents, their successors and assigns.

Each specified insurance policy (other than Workers' Compensation and Employers' Liability and fire and extended coverages) shall contain a Severability of Interest (Cross Liability) clause which states, "It is agreed that the insurance afforded by this policy shall apply separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability," and a Contractual Endorsement which shall state, "Such insurance as is afforded by this policy shall also apply to liability assumed by the insured under this Agreement with the City of Los Angeles."

All such insurance shall be primary and noncontributing with any other insurance held by City's Department of Airport where liability arises out of or results from the acts or omissions of Contractor, its agents, employees, officers, assigns, or any person or entity acting for or on behalf of Contractor.

Such policies may provide for reasonable deductibles and/or retentions acceptable to the Chief Executive Officer of the Department of Airport (hereinafter referred to as "Chief Executive Officer") based upon the nature of Contractor's operations and the type insurance involved.

City shall have no liability for any premiums charged for such coverage(s). The inclusion of City, its Department of Airports, its Board, and all of its officers, employees and agents, and their agents and assigns, as insureds, is not intended to, and shall not, make them, or any of them a partner or joint venture with Contractor in its operations at Airport.

In the event Contractor fails to furnish City evidence of insurance and maintain the insurance as required, City, upon ten (10) day prior written notice to comply, may (but shall not be required to) procure such insurance at the cost and expense of Contractor, and Contractor agrees to promptly reimburse City for the cost thereof plus fifteen percent (15%) for administrative overhead.

At least ten (10) days prior to the expiration date of any of the above policies, documentation showing that the insurance coverage has been renewed or extended shall be filed with City. If such coverage is canceled or reduced, Contractor shall, within fifteen (15) days of such cancellation or reduction of coverage, file with City evidence that the required insurance has been reinstated or provided through another insurance company or companies.

Contractor shall provide proof of all specified insurance and related requirements to City either by production of the actual insurance policy(ies), by a broker's letter acceptable to the Chief Executive Officer in both form and content in the case of foreign insurance syndicates, or by other written evidence of insurance acceptable to the Chief Executive Officer. The documents evidencing all specific coverages shall be filed with City prior to commencement of this contract. The documents shall contain the applicable policy number, the inclusive dates of policy coverages and the insurance carrier's name, shall bear signature and the typed name of an authorized representative of said carrier, and shall provide that such insurance shall not be subject to cancellation, reduction in coverage or nonrenewal except after written notice by certified mail, return receipt requested, to the City Attorney of the City of Los Angeles at least thirty (30) days prior to the effective date thereof.

City and Contractor agree that the insurance policy limits specified herein shall be reviewed for adequacy annually throughout the term of this Agreement by Chief Executive Officer, who may thereafter require Contractor to adjust the amounts of insurance coverage to whatever amount Chief Executive Officer deems to be adequate. City reserves the right to have submitted to it, upon request, all pertinent information about the agent and carrier providing such insurance.

City Held Harmless

To the fullest extent permitted by law, Contractor shall defend, indemnify and hold harmless City and any and all of City's Boards, officers, agents, employees, assigns and successors in interest from and against any and all suits, claims, causes of action, liability, losses, damages, demands or expenses (including, but not limited to, attorney's fees and costs of litigation), claimed by anyone (including Contractor and/or Contractor's agents or employees) by reason of injury to, or death of, any person(s) (including Contractor and/or Contractor's agents or employees), or for damage to, or destruction of, any property (including property of Contractor and/or Contractor's agents or employees) or for any and all other losses, founded upon or alleged to arise out of, pertain to, or relate to the Contractor's and/or Sub-Contractor's performance of the Contract, whether or not contributed to by any act or omission of City, or of any of City's Boards, officers, agents or employees. Provided, however, that where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from or relate to Contractor's performance of a "Construction Contract" as defined by California Civil Code section 2783, this paragraph shall not be construed to require Contractor to indemnify or hold City harmless to the extent such suits, causes of action, claims, losses,

demands and expenses are caused by the City's sole negligence, willful misconduct or active negligence. Provided further that where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from Consultant's design professional services as defined by California Civil Code section 2782.8, Consultant's indemnity obligations shall be limited to allegations, suits, claims, causes of action, liability, losses, damages, demands or expenses arising out of, pertaining to, or relating to the Consultant's negligence, recklessness or willful misconduct in the performance of the Contract.

In addition, Contractor agrees to protect, defend, indemnify, keep and hold harmless City, including its Boards, Departments and City's officers, agents, servants and employees, from and against any and all claims, damages, liabilities, losses and expenses arising out of any threatened, alleged or actual claim that the end product provided to LAWA by Contractor violates any patent, copyright, trade secret, proprietary right, intellectual property right, moral right, privacy, or similar right, or any other rights of any third party anywhere in the world. Contractor agrees to, and shall, pay all damages, settlements, expenses and costs, including costs of investigation, court costs and attorney's fees, and all other costs and damages sustained or incurred by City arising out of, or relating to, the matters set forth above in this paragraph of the City's "Hold Harmless" agreement.

In Contractor's defense of the City under this Section, negotiation, compromise, and settlement of any action, the City shall retain discretion in and control of the litigation, negotiation, compromise, settlement, and appeals there from, as required by the Los Angeles City Charter, particularly Article II, Sections 271, 272 and 273 thereof.

Survival. The provisions of this section shall survive the expiration or earlier termination of this Agreement.

Hazardous and Other Regulated Substances

(a) Contractor's performance under this Contract and/or occupancy or use of any LAWA property shall be in full compliance with any and all applicable present and future rules, regulations, restrictions, ordinances, statutes, laws and/or other orders of any governmental entity regarding the use, storage, handling, distribution, processing and/or disposal of hazardous wastes, extremely hazardous wastes, hazardous substances, hazardous materials, hazardous chemicals, toxic chemicals, toxic substances, pollutants, contaminants or other similarly regulated substances (hereinafter referred to as "hazardous substances"). Said hazardous substances shall include, but shall not be limited to, mold, gasoline, aviation, diesel and jet fuels, lubricating oils and solvents. Contractor agrees that any damages, penalties or fines levied on City and/or Contractor as a result of Contractor's noncompliance with any of the above shall be the sole responsibility of Contractor and further, that Contractor shall indemnify and pay and/or reimburse City for any damages, penalties or fines that City pays as a result of noncompliance with the above.

(b) In the case of any hazardous substance spill, contamination, leak, discharge or improper storage affecting LAWA property caused or contributed to by Contractor or its employees, servants, agents, contractors or subcontractors, Contractor agrees to make or cause to be made any necessary repairs or corrective actions as well as to clean up and remove any leakage, contamination or contaminated ground to the satisfaction of Chief Executive Officer. If Contractor fails to repair, cleanup, properly dispose of or take any other corrective actions as required herein, City may (but shall not be required to) take all steps it deems necessary to properly repair, clean up or otherwise correct the conditions resulting from the spill, leak or contamination. Any such repair, clean-up or corrective actions taken by City shall be at Contractor's sole cost and expense and Contractor shall indemnify and pay for and/or reimburse City for any and all costs (including any administrative costs) City incurs as a result of any repair, clean-up or corrective action it takes.

(c) Contractor shall promptly supply City with copies of all notices, reports, correspondence and submissions made by Contractor to any governmental entity regarding any hazardous substance spill, leak, discharge or clean-up including all test results.

(d) The provisions of this section shall survive the expiration or earlier termination of this Agreement.

1. **When should I comply with the Insurance Requirements?** The Risk Management Division's Insurance Compliance section is the first place to start if your proposal has been accepted or you have been awarded the bid. You cannot perform any work for the Department without approved evidence of insurance. Please be aware that if current evidence of insurance is not on file with the Insurance Compliance Section, invoices cannot be processed, badges cannot be issued and permits cannot be processed.

THE ACCOUNTING DIVISION HAS BEEN INSTRUCTED BY THE CITY CONTROLLER NOT TO PROCESS INVOICES UNLESS CURRENT EVIDENCE OF INSURANCE IS IN PLACE.

2. **What does LAWA consider as Acceptable Evidence of insurance?** The only evidence of insurance acceptable is either a Certificate of Insurance and/or a True and Certified copy of a policy. The following items must accompany the form of evidence provided:
 - a. A copy of the Waiver of Subrogation Endorsement **specifically** naming Los Angeles World Airports on the schedule is required for Workers' Compensation. **A BLANKET ENDORSEMENT AND/OR LANGUAGE ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE.**
 - b. A copy of the Additional Insured Endorsement (CG 20 10 11 85 or similar) **specifically** naming Los Angeles World Airports on the schedule is required for General Liability. **A BLANKET ENDORSEMENT AND/OR LANGUAGE WRITTEN ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE UNLESS YOU HAVE A DIRECT CONTRACT WITH LAWA.**
 - c. The Certificate of Insurance and/or the True and Certified copy of the policy must be signed by the Authorized Representative.
 - d. A copy of the Schedule of Underlying Coverage/Insurance is required for the Excess policy.
3. **Is there an added cost to add Los Angeles Worlds Airports as Additional Insured?** Possibly; there usually is an added cost to doing this. This fact should be considered when you are formulating your costs for the bid or proposal. Check with your insurance agent or broker as .
4. **How can I obtain information on your Insurance Requirements?** An Insurance Requirement Sheet is included in the Proposal/Bid Package, which specifically outlines the types and amounts of coverage required. This Requirement Sheet should be passed on to your authorized agent/broker for their review. You may also contact us at (424) 646- 5480.
5. **Do I need to prepare more forms if I already have LAWA's evidence of insurance?** No. If you already have current evidence of insurance on file with our Risk Management's Insurance Compliance Section, it is not necessary to complete a new set of forms. Once documentation is in place, you do not need to go through the process for each project. **However**, if the documents submitted are project specific, you will need to submit forms for each project. Therefore it is suggested that forms submitted indicate they are for the maximum coverage required and all LAWA projects. Please check with our office to be sure that all coverages are current. Your contract administrator can do this for you as well. Our office maintains a computerized record of your evidence of insurance.

6. **What insurance companies are acceptable to LAWA?** Insurance companies must have an A- or better rating and have a financial size of at least IV to be acceptable to LAWA. We use the A.M. Best Key Rating Guide as our reference.
7. **How long will I need the insurance coverage?** If you are awarded a contract, there will be a provision in your contract which specifically states that it is your responsibility to maintain current evidence of insurance in our files for the contract period.
8. **How long does it take LAWA to process my evidence of insurance?** Evidence of Insurance is processed upon receipt by LAWA. Please submit your evidence of insurance documents to the Risk Management Division's Insurance Compliance Section at riskinsurance@lawa.org, as soon as you are awarded the contract.
9. **When should I complete the evidence of insurance?** Prior to the commencement of this contract, the successful bidder must provide proof of insurance. Do not spend any money to meet the insurance requirements until you are awarded the contract by LAWA. Get an estimate or quote from your insurance agent or broker and factor that into the bid/proposal you are preparing. Enclose a statement, provided on your company letterhead, which states you have reviewed the insurance requirements and that you will provide the required evidence of insurance if you are awarded the contract.

Note for Prime Contractors: Prime Contractors are responsible for ensuring that their Sub-contractors have adequate evidence of insurance coverage appropriate to the work to be performed. At a minimum, if airfield access is involved, the sub- contractor must show \$10 million in coverage, plus endorsements. If no airfield access is involved in the work, the minimum threshold is \$1 million, plus endorsements. In rare cases, if the work is performed entirely off site, there may be no need for evidence of insurance coverage.

An affidavit form is attached and is also available to be downloaded on the RAMPLA website at rampla.org. Determination of qualification as a local business by any other entities, other than BCA/OCC, or by any other means other than submission of an affidavit on RAMPLA shall not be accepted for purposes of participation in the LBPP. Affidavit forms are prioritized according to the date they are received. The local business must be listed on RAMPLA as such prior to the bid due date in order to participate in the LBPP. In cases where the affidavit was submitted prior to the proposal deadline but has not been verified by BCA/OCC and the local business designation would result in a change of award recommendation, status as a local business will be based on the date it was submitted.

C. Definitions

1. "Awarding Authority" means the Board of Airport Commissioners, or any employee or officer of Los Angeles World Airports (LAWA) authorized to award or enter into any contract on behalf of LAWA.
2. "Contract" means a written agreement involving consideration in excess of \$150,000.00 for the purchase of goods, equipment or services, including construction, by or for the benefit of LAWA.
3. "Contractor" means the person, business or entity awarded the Contract by LAWA.
4. "Bid Price" means the dollar amount after the bidder's quoted price is adjusted for evaluation in accordance with applicable provisions. For procurement contracts, this may include, but not be limited to Cash Discount, or Combined Award Discount.

5. "Cash Discount" means a reduction in the full cost of a good or service when payment is made within a specified period of time: e.g. 2% 10 net 30.
6. "Combined Award Discounts" (CAD) means the discount terms offered by a supplier and are usually expressed in percentages taken directly from the pricing totals of the bidders offering such a discount. CADs are applicable if the specification or bidding document includes the CAD provision clause, it is applicable to more than one item or more than one group of items, and if the items included for CAD purposes are not cherry picked from a predefined group of items as set forth by the specifications or bid document.
7. "Local Business" means a business entity that occupies work space within the County of Los Angeles and is in compliance with all applicable City or county licensing and tax laws, and can demonstrate one of the following: (1) it is headquartered in the County and physically conducts and manages all of its operations from a location in the County; (2) that at least 50 of its full-time employees perform work within the boundaries of the County at least 60 percent of their total regular hours worked on an annual basis; or (3) that at least half of the full-time employees (50%) of the business work within the boundaries of the County at a minimum of 60 percent of their total, regular hours worked on an annual basis.
 - a. A business entity with multiple locations within the County can aggregate 50 of its full-time employees working at least 60% of their regular hours from its different locations within the County to qualify as a Local Business.
 - b. A business entity awarded a LAWA contract under the LBPP must carry out the services of the contract using employees whose exclusive, primary working location is in Los Angeles County.
8. "Local Subcontractor" means a contractor that meets the same qualification as a local business.
9. "Provisionally Qualified Local Business" means a business entity that is yet to establish operations within the County, and does not immediately qualify as a local business under the Los Angeles Administrative Code. However, the business is provisionally qualified as a local business because it is undertaking imminent steps to qualify as a local business as defined by Article 21, Section 10.47.3. No later than 60 days after the date on which the Contract with LAWA is awarded, but prior to execution of the contract, the Provisionally Qualified Local Business must become a qualified Local Business.
10. "Supplier" and/or "Regular Dealer" means a business that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment of the general character described by the specifications and required under the contract are bought, kept in stock, and regularly sold or leased to the public in the usual course of business. Additionally, the firm must be an established, regular business that engages, as its principal business and under its own name, in the purchase and sale or lease of the products in question. Packagers, brokers, manufacturers' representatives, or other persons who arrange or expedite transactions are not regular dealers. A person may be a regular dealer in such bulk items as petroleum products, steel, cement, gravel, stone, or asphalt without owning, operating, or maintaining a place of business as previously described if the person both owns and operates distribution equipment for the products. Any supplementing of regular dealers'

own distribution equipment shall be by a long-term lease agreement and not on an ad hoc or contract-by-contract basis.

D. Local Business Preference Program Participation Recognition

1. Qualifying contractors who participate in the LBPP by qualifying as a local business will receive an 8% preference credit to their bid in excess of \$150,000.00 or bids in excess of \$1,000,000.00 if a Provisionally Qualified Local Business.
2. Qualifying contractors who participate in the LBPP but do not qualify as a local business, but however are qualified because they identify a qualified local subcontractor to perform the work under the contract will receive up to a 5% preference credit to their bids.
 - a. LAWA shall provide a 1% preference, up to a maximum of 5%, to the proposal price for every 10% of the cost of the proposed work to be performed by the local subcontractor. This rule applies to a local subcontractor or local subcontractors; provided that the work performed is of a commercially useful purpose in execution of the contract and/or performed in the subcontractor's normal course of business. The work performed and all costs of each local subcontractor or subcontractors should be clearly specified in the proposal.
3. Preferences shall only be awarded to a Local Business or Local Subcontractor when the services provided under the contract are directly provided by its employees whose primary work location is in Los Angeles. Preferences shall only be awarded for equipment, goods or materials when the Local Business or Local Subcontractor acts as a supplier or dealer (not less than two thirds of the time), or designs, manufactures, or assembles the equipment, goods or materials (not less than two thirds of the time), at a business location in the City.
4. A Provisionally Qualified Local Business who participates in the LBPP by qualifying as a local business will receive an 8% preference credit to its bids, as long as the proposed contract between the business and LAWA involves consideration no less than \$1,000,000.00 and has duration of no less than three (3) years.
 - a. To participate in the program a proposed Provisionally Qualified Local Business must download and complete a Provisionally Qualified Local Business affidavit form at www.bca.lacity.org, which it shall attach and submit with its bid documents to LAWA.
5. A Provisionally Qualified Local Business shall lose its status as such when it fails to fully comply as a local business within 60 days after the date on which the Contract with LAWA is awarded. LAWA shall notify the Provisionally Qualified Local Business thirty (30) days to the anniversary of the second month notifying the business that it comply as a local business or contract award will be rescinded. Loss of status as a Provisionally Qualified Local Business is permanent; closure forbids a business from qualifying as a Provisionally Qualified Local Business in the future for purposes of bidding on LAWA Contracts.
6. Once a Provisionally Qualified Local Business is notified by LAWA of its intent to award a contract, the Provisionally Qualified Local Business shall submit all of the following; (1) an enforceable, contractual right to occupy commercial space within the County, which shall commence no later than 60 days after the date of the execution of the contract; (2)

a business plan on its ability to become a Local business; (3) any other sufficient documentation required by LAWA.

All required supporting documentation/ evidence demonstrating qualification as a Provisionally Qualified Local Business must be submitted to LAWA within 30 days of request.

- a. If LAWA is satisfied with documentation submitted by the Provisionally Qualified Local Business, and it determines that it shall award the business the contract, LAWA prior to the execution of the contract shall send BCA a memo stating that the business was able to demonstrate that it qualifies as a Provisionally Qualified Local Business, the memo shall also list the documents received by LAWA, and recommend that BCA determine the business to be a Provisionally Qualified Local Business.
7. The maximum preference for all qualifying local businesses, local subcontractor(s), and provisionally qualified local businesses shall not exceed \$1,000,000.00 for any bid.
8. A bid preference does not reduce the contract amount.
9. In the event where a certified Local business bids on a LAWA contract, and is determined by LAWA after the bid deadline to not qualify as a Local Business, the business will be eligible for a Local Subcontractor Preference of up to 5 percent, if it has identified a qualifying Local Subcontractor(s) to perform work under the contract.
 - a. The above exemption shall only apply where the non-compliance is an error or mistake. It shall not apply to a business that intentionally or fraudulently claims to be a Local Business through misleading or false statements.
 - b. It is the responsibility of the business registered on RAMPLA as a certified Local Business to inform BCA via email at bca.certifications@lacity.org, that it no longer meets the certification criteria within seven days of the change. Failure to do so shall be construed as a misleading and/or false statement.
10. Upon receipt of information believed by LAWA to be reliable and which indicates that the Local Business no longer qualifies as a Local Business for more than 60 days during the entire time of the Contract, LAWA shall withhold or recover funds from the Contractor in an amount that represents the value of the bid preference.
11. Upon receipt of information believed by LAWA to be reliable and which indicates that the Local Subcontractor (s) no longer qualifies as a Local Business, providing the basis for a Local Subcontractor Preference and the Prime Contractor fails to replace the Subcontractor (s) with another Local Subcontractor (s) within 60 days of notification by LAWA. LAWA shall withhold or recover funds from the Contractor in an amount that represents the value of the bid preference.
12. In the event that investigations reveal that a business fraudulently represents itself as a Local Business for the purpose of gaining a preference under the LBPP, the business shall lose its status as such for up to five years. This will also apply to any business that has received a preference, but failed to maintain its Local Business qualification for a cumulative of 60 days during the entire time of the contract.

E. Complaints and Protests

1. All complaints and/or protests regarding qualifying local businesses, provisionally qualified local businesses, and local subcontractors claiming non-compliance by LAWA or its failure to maintain certification criteria, shall be made to the BCA/OCC either in writing or by email for further investigations. Complaints must be accompanied by documentation which substantiates complainant's allegations.
2. Any complaints that meet the criteria of No. 1 shall be investigated by BCA, OCC in its role as the Designated Administrative Agency.

Introduction

The Regional Alliance Marketplace for Procurement (RAMP) at <http://www.RAMPLA.org> is a free service provided by the City of Los Angeles.

REQUESTING VERIFICATION/RECOGNITION OF CURRENT CERTIFICATIONS

This manual will walk you through the process of requesting verification so that City of Los Angeles certifications can be added to your firm's RAMP profile. Certain certification programs from specific agencies are recognized.

Only the company's RAMP Administrator can request for certification verification.

If your firm **ALREADY** has certifications from agencies recognized by the City of Los Angeles, the registered Administrator of the firm can request verification through RAMP. This means that your company may receive recognition for specific certifications that it already has with its corresponding recognized agencies. To view the Inter-Agency Recognition Chart, visit <https://bca.lacity.org/certification-program-description>

NOTE: Requesting verification or recognition is NOT a certification application.

APPLYING FOR CERTIFICATION

Only the company's RAMP Administrator can request for certification verification.

Currently, only the following certifications can be applied for through RAMP:

- Local Business Preference Program (LBPP) Certifications: Local Business Enterprise (LBE), Local Small Business (LSB), Local Transitional Employer (LTE)
- Local-State Disabled Veteran Business Enterprise DVBE LAWA - used only by Los Angeles World Airports (LAWA)
- Local Business Enterprise (LBE) Harbor -used only by Harbor (Port of LA)

For more information on how to apply for other City of LA certification programs, visit <https://bca.lacity.org/certification> .

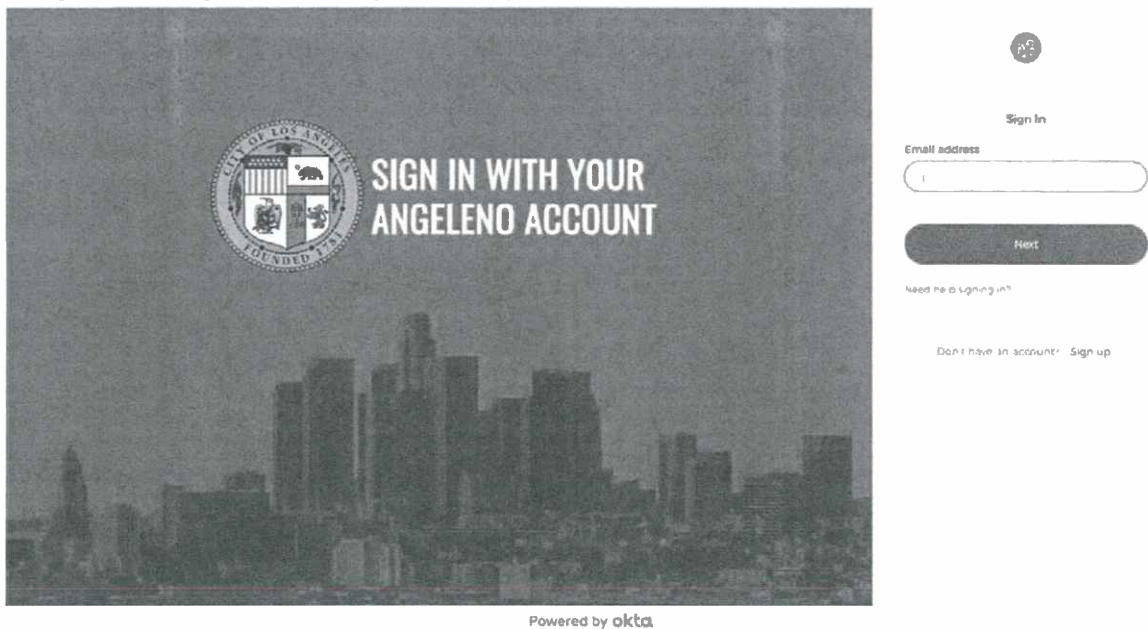

In order to have your certification verified, the information on your RAMP profile must be current, correct, and match ALL the information listed with the recognized certifying agency. This includes: firm name, address, certifying agency and certification number. Some certifications will require submission of supporting documents such as tax returns, lease, etc. Non-response to requests could result in a denial of the request.

ALTERNATIVE FUEL VEHICLE REQUIREMENT PROGRAM

ALTERNATIVE FUEL VEHICLE REQUIREMENT PROGRAM (LAX ONLY)

I. Definitions.

The following capitalized terms shall have the following meanings. All definitions include both the singular and plural form.

"Airport Contract" shall mean a contract awarded by LAWA and pertaining to LAX, and subcontracts of any level under such a contract.

"Airport Contractor" shall mean (i) any entity awarded an Airport Contract, and subcontractors of any level working under an Airport Contract; (ii) any contractors that have entered into a contract with an Airport Lessee to perform work on property owned by LAWA and pertaining to LAX, and any subcontractors working in furtherance of such a contract; and (iii) any contractor that have entered into a contract with an Airport Licensee to perform work pertaining to LAX, and any subcontractors working under such a contract.

"Airport Lessee" shall mean any entity that leases or subleases any property owned by LAWA and pertaining to LAX.

"Airport Licensee" shall mean any entity issued a license or permit by LAWA for operations that pertain to LAX.

"Alternative-Fuel Vehicle" shall mean a vehicle that is not powered by petroleum-derived gasoline or diesel fuel. Alternative-Fuel Vehicles include, but are not limited to, vehicles powered by compressed or liquefied natural gas, liquefied petroleum gas, methanol, ethanol, electricity, fuel cells, or other advanced technologies.

"CARB" shall mean the California Air Resources Board.

"Covered Vehicle" is defined in Section II below.

"Compliance Plan" is defined in subsection VII.C. below.

"EPA" shall mean the United States Environmental Protection Agency.

"Independent Third Party Monitor" shall mean a person or entity empowered by LAWA to monitor compliance with and/or implementation of particular requirements in this Requirement.

"LAWA" shall mean Los Angeles World Airports.

"LAX" shall mean Los Angeles International Airport.

"Least-Polluting Available Vehicle" shall mean a vehicle that (a) is determined by an Independent Third Party Monitor to be (i) commercially available, (ii) suitable for performance of a particular task, and (iii) certified by CARB to meet the applicable engines emission standard in effect at the time of purchase. Where more than one vehicle meets these requirements for a particular task, LAWA, working with the Independent Third Party Monitor, will designate as the

Least-Polluting Available Vehicle the vehicle that emits the least amount of criteria air pollutants.

“LEV” shall mean a vehicle that meets CARB’s Low-Emission Vehicle standards for criteria pollutant exhaust and evaporative emissions for medium-duty vehicles at the time of vehicle manufacture.

“LEV II” shall mean a vehicle certified by CARB to the “LEV II” Regulation Amendments that were fully implemented as of 2010. A qualifying “LEV II” vehicle shall meet the least polluting standard in the LEV II category that is available at the time of purchase.

“LEV III” shall mean a vehicle certified by CARB to the increasingly stringent “LEV III” Regulatory Amendments to the California greenhouse gas and criteria pollutant exhaust and evaporative emission standards, test procedures, and on-board diagnostic system requirements for medium-duty vehicles.

“Low-Use Vehicle” shall mean a Covered Vehicle that makes less than five (5) trips per month to LAX.

“Operator” shall mean any Airport Contractor, Airport Lessee, or Airport Licensee.

“Optional Low NOx” shall mean any vehicle powered by an engine that meets CARB’s optional low oxides of nitrogen (NOx) emission standards for on-road heavy-duty engines applicable at the time of purchase.

II. Covered Vehicles.

A. **Covered Vehicles.** These Requirements shall apply to all on-road vehicles, including trucks, shuttles, passenger vans, and buses that are 8,500 lbs gross vehicle weight rating or more and are used in operations related to LAX (“Covered Vehicles”).

B. **Exemptions.** The following vehicles are exempt from this Requirement:

- i) Public safety vehicles.
- ii) Previously approved vehicles. Vehicles previously approved under the 2007 LAX Alternative Fuel Vehicle Requirement Program are exempt from the Maximum Allowable Vehicle Age Requirement, Section III, but are subject to the Annual Reporting Requirement, Section VI.
- iii) Low-Use Vehicles. Low-use vehicles are exempt from the Compliance Schedule, Section IV, the Maximum Allowable Vehicle Age Requirement, Section III, but are subject to the Annual Reporting Requirement, Section VI.

III. Maximum Allowable Vehicle Age Requirement. In accordance with the Compliance Schedule dates outlined in Section IV, no Covered Vehicle equipped with an engine older than thirteen (13) model years or that has 500,000 or more miles, whichever comes first, shall operate at LAX.

IV. Compliance Schedule.

A. By April 30, 2019, one hundred percent (100%) of the Covered Vehicles operated by a Covered Vehicle Operator shall be (a) Alternative-Fuel Vehicles, (b) Optional Low NOx vehicles or (c) LEV II standard vehicles through 2019 or LEV III standard vehicles thereafter.

B. A new Covered Vehicle Operator who plans to begin operations at LAX prior to April 30, 2019, must comply with the requirement set forth in Section III and subsection IV.A. prior to commencing operations at LAX.

V. Least-Polluting Available Vehicles. In cases where an Operator cannot comply with the requirements established pursuant to Sections III and IV above because neither Alternative-Fuel Vehicles, Optional Low NOx standard vehicles, or LEV II standard vehicles through 2019 and LEV III standard vehicles thereafter, are commercially available for performance of particular tasks, LAWA will instead require Operators to use the Least-Polluting Available Vehicles for such tasks. An Independent Third Party Monitor will determine whether Alternative-Fuel Vehicles, Optional Low NOx standard vehicles, or LEV II standard vehicles through 2019 and LEV III standard vehicles thereafter are commercially available to perform particular tasks, and, in cases where neither Alternative-Fuel Vehicles, Optional Low NOx standard vehicles, nor LEV II standard vehicles through 2019 and LEV III standard vehicles thereafter are commercially available for performance of a particular task, will identify the Least-Polluting Available Vehicle for performance of that task.

VI. Annual Reporting Requirement.

A. By January 31st of each calendar year, Covered Vehicle Operators must submit to LAWA the vehicle information required on the reporting form accessible online at <https://online.lawa.org/altfuel/> for the prior calendar year.

B. Low-Use Vehicles shall be included in the annual reporting. Where monthly trip data is used to establish low-use, the operator must provide proof such as transponder data records or an attestation acceptable to LAWA.

C. A Covered Vehicle Operator who plans to begin operations at LAX must comply with this reporting requirement prior to commencing operations, and thereafter comply with the annual reporting deadline of January 31st of each calendar year.

VII. Enforcement.

A. Non-Compliance. The following circumstances shall constitute non-compliance for purposes of this Section VII:

- i) Failure to submit an annual report pursuant to Section VI above.
- ii) Failure to use an Alternative Fuel Vehicle, an Optional Low NOx vehicle, a vehicle meeting LEV II standards prior to December 31, 2019, or LEV III standards thereafter, an approved Least-Polluting Available Vehicle, or a vehicle approved under LAWA's former Alternative Fuel Vehicle Requirement, including approved comparable emissions vehicles.

- iii) Failure to submit a Compliance Plan as defined in subsection VII.C. below within 30 days of notice of non-compliance from LAWA.
 - iv) Failure to adhere to an approved Compliance Plan as defined in subsection VII.C. below.
- B. Notice of Non-Compliance.** Covered Vehicle Operators found not to be in compliance with the Alternative Fuel Vehicle Requirement as set forth in subsection VII.A. above will be given a notice of non-compliance. Covered Vehicle Operators will have 30 days to correct the deficiencies documented in the notice of non-compliance by completing the annual report as defined in Section VI or submitting a Compliance Plan as defined in subsection VII.C. below, as applicable to the reason cited for non-compliance.
- C. Compliance Plan.**
- i) Operators shall transition to compliant vehicles as soon as practicable.
 - ii) Non-compliant Covered Vehicle Operators will be required to submit a Compliance Plan indicating the disposition (salvage, replace, remove from service, etc.) date for each non-compliant vehicle ("Compliance Plan") within 30 days of receiving a notice of non-compliance for a vehicle in the Operator's fleet. The Compliance Plan shall provide dates by which the non-compliant vehicle or vehicles in the Operator's fleet will meet the requirements of the LAX Alternative Fuel Vehicle Requirement and a justification for the new date. The Compliance Plan shall be signed under attestation.
 - iii) LAWA's Chief Executive Officer or his/her designee shall review the Operator's Compliance Plan and justification to determine its acceptability and authorize approval or disapproval.
 - iv) Covered Vehicle Operators shall have 30 days to seek review of LAWA's rejection of a Compliance Plan or any parts thereof by LAWA's Chief Executive Officer or his/her designee.
- D. Default.** Three or more instances of non-compliance with the LAX Alternative Fuel Vehicle Requirement as defined in subsection VII.A above within two years shall be considered a default of the applicable LAX permit, license, contract, lease, Non-Exclusive License Agreement (NELA), concessionaire agreement, and/or Certified Service Provider (CSP) Program. LAWA's Chief Executive Officer or his/her designee may, pursuant to the applicable terms provided therein, suspend or cancel a permit, license, contract, lease, NELA, concessionaire agreement or certified provider certification of non-compliant Covered Vehicle Operators who are not in compliance with this Alternative Fuel Vehicle Requirement. In addition, LAWA's Chief Executive Officer or his/her designee may seek to recoup LAWA's administrative costs from non-compliant operators.

IX. Periodic Review. This Requirement will be reviewed and updated periodically as deemed necessary by LAWA.

Sec. 10.8.2.1. Equal Benefits Ordinance.

(a) **Legislative Findings.** The City awards many contracts to private firms to provide services to the public and to City government. Many City contractors and subcontractors perform services that affect the proprietary interests of City government in that their performance impacts the success of City operations. The City holds a proprietary interest in the work performed by many employees employed by City contractors and subcontractors. In a very real sense, the success or failure of City operations may turn on the success or failure of these enterprises, for the City has a genuine stake in how the public perceives the services rendered for them by these businesses.

Discrimination in the provision of employee benefits between employees with domestic partners and employees with spouses results in unequal pay for equal work. Los Angeles law prohibits entities doing business with the City from discriminating in employment practices based on marital status and/or sexual orientation. The City's departments and contracting agents are required to place in all City contracts a provision that the company choosing to do business with the City agrees to comply with the City's nondiscrimination laws.

It is the City's intent, through the contracting practices outlined in this Ordinance, to assure that those companies wanting to do business with the City will equalize the total compensation between similarly situated employees with spouses and with domestic partners. The provisions of this Ordinance are designed to ensure that the City's contractors will maintain a competitive advantage in recruiting and retaining capable employees, thereby improving the quality of the goods and services the City and its people receive, and ensuring protection of the City's property.

(b) **Definitions.** For purposes of the Equal Benefits Ordinance only, the following shall apply.

(1) **Awarding Authority** means any Board or Commission of the City, or any employee or officer of the City, that is authorized to award or enter into any Contract, as defined in this ordinance, on behalf of the City, and shall include departments having control of their own funds and which adopt policies consonant with the provisions of the Equal Benefits Ordinance.

(2) **Benefits** means any plan, program or policy provided or offered by a Contractor to its employees as part of the employer's total compensation package. (c) **Equal Benefits Requirements.**

(1) No Awarding Authority of the City shall execute or amend any Contract with any Contractor that discriminates in the provision of Benefits between employees with spouses and employees with Domestic Partners, between spouses of employees and Domestic Partners of employees, and between dependents and family members of spouses and dependents and family members of Domestic Partners.

(2) A Contractor must permit access to, and upon request, must provide certified copies of all of its records pertaining to its Benefits policies and its employment policies and practices to the DAA, for the purpose of investigation or to ascertain compliance with the Equal Benefits Ordinance.

(3) A Contractor must post a copy of the following statement in conspicuous places at its place of business available to employees and applicants for employment: "During the performance of a Contract with the City of Los Angeles, the Contractor will provide equal benefits to its employees with spouses and its employees with domestic partners." The posted statement must also include a City contact telephone number which will be provided each Contractor when the Contract is executed.

(4) A Contractor must not set up or use its contracting entity for the purpose of evading the requirements imposed by the Equal Benefits Ordinance.

(d) **Other Options for Compliance.** Provided that the Contractor does not discriminate in the provision of Benefits, a Contractor may also comply with the Equal Benefits Ordinance in the following ways:

(1) A Contractor may provide an employee with the Cash Equivalent only if the DAA determines that either:

a. The Contractor has made a reasonable, yet unsuccessful effort to provide Equal Benefits; or

b. Under the circumstances, it would be unreasonable to require the Contractor to provide Benefits to the Domestic Partner (or spouse, if applicable).

(2) Allow each employee to designate a legally domiciled member of the employee's household as being eligible for spousal equivalent Benefits.

(3) Provide Benefits neither to employees' spouses nor to employees' Domestic Partners.

(1) Unless otherwise exempt, a Contractor is subject to and shall comply with all applicable provisions of the Equal Benefits Ordinance.

a. A Contractor's operations located within the City limits, regardless of whether there are employees at those locations performing work on the Contract.

b. A Contractor's operations on real property located outside of the City limits if the property is owned by the City or the City has a right to occupy the property, and if the Contractor's presence at or on that property is connected to a Contract with the City.

c. The Contractor's employees located elsewhere in the United States but outside of the City limits if those employees are performing work on the City Contract.

(3) The requirements of the Equal Benefits Ordinance do not apply to collective bargaining agreements ("CBA") in effect prior to January 1, 2000. The Contractor must agree to propose to its union that the requirements of the Equal Benefits Ordinance be incorporated into its CBA upon amendment, extension, or other modification of a CBA occurring after January 1, 2000.

(f) Mandatory Contract Provisions Pertaining to Equal Benefits. Unless otherwise exempted, every Contract shall contain language that obligates the Contractor to comply with the applicable provisions of the Equal Benefits Ordinance. The language shall include provisions for the following:

(1) During the performance of the Contract, the Contractor certifies and represents that the Contractor will comply with the Equal Benefits Ordinance.

(2) The failure of the Contractor to comply with the Equal Benefits Ordinance will be deemed to be a material breach of the Contract by the Awarding Authority.

(3) If the Contractor fails to comply with the Equal Benefits Ordinance the Awarding Authority may cancel, terminate or suspend the Contract, in whole or in part, and all monies due or to become due under the Contract may be retained by the City. The City may also pursue any and all other remedies at law or in equity for any breach.

(4) Failure to comply with the Equal Benefits Ordinance may be used as evidence against the Contractor in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, *et seq.*, Contractor Responsibility Ordinance.

(5) If the DAA determines that a Contractor has set up or used its Contracting entity for the purpose of evading the intent of the Equal Benefits Ordinance, the Awarding Authority may terminate the Contract on behalf of the City. Violation of this provision may be used as evidence against the Contractor in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, *et seq.*, Contractor Responsibility Ordinance.

(g) Administration.

(1) The DAA is responsible for the enforcement of the Equal Benefits Ordinance for all City Contracts. Each Awarding Authority shall cooperate to the fullest extent with the DAA in its enforcement activities.

(2) In enforcing the requirements of the Equal Benefits Ordinance, the DAA may monitor, inspect, and investigate to ensure that the Contractor is acting in compliance with the Equal Benefits Ordinance. Contractor's failure to cooperate with the DAA may result in a determination by the DAA that the Contractor is not in compliance with the Equal Benefits Ordinance, which may subject the Contractor to enforcement measures set forth in Section 10.8.2.1(h).

(3) The DAA shall promulgate rules and regulations and forms for the implementation of the Equal Benefits Ordinance. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish this contract compliance program.

(h) Enforcement.

(1) If the Contractor fails to comply with the Equal Benefits Ordinance:

a. The failure to comply may be deemed to be a material breach of the Contract by the Awarding Authority; or

b. The Awarding Authority may cancel, terminate or suspend, in whole or in part, the contract; or

c. Monies due or to become due under the Contract may be retained by the City until compliance is achieved;

d. The City may also pursue any and all other remedies at law or in equity for any breach.

e. The City may use failure to comply with the Equal Benefits Ordinance as evidence against the Contractor in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, *et seq.*, Contractor Responsibility Ordinance.

(i) Non-applicability, Exceptions and Waivers.

(1) Upon request of the Awarding Authority, the DAA may waive compliance with the Equal Benefits Ordinance under the following circumstances:

a. The Contract is for the use of City property, and there is only one prospective Contractor willing to enter into the Contract; or

b. The Contract is for needed goods, services, construction of a public work or improvement, or interest in or right to use real property that is available only from a single prospective Contractor, and that prospective Contractor is otherwise qualified and acceptable to the City; or

c. The Contract is necessary to respond to an emergency that endangers the public health or safety, and no entity which complies with the requirements of the Equal Benefits Ordinance capable of responding to the emergency is immediately available; or

d. The City Attorney certifies in writing that the Contract involves specialized litigation requirements such that it would be in the best interests of the City to waive the requirements of the Equal Benefits Ordinance; or

e. The Contract is (i) with a public entity; (ii) for goods, services, construction of a public work or improvement, or interest in or right to use real property; and (iii) that is either not available from another source, or is necessary to serve a substantial public interest. A Contract for interest in or the right to use real property shall not be considered as not being available from another source unless there is no other site of comparable quality or accessibility available from another source; or

f. The requirements of the Equal Benefits Ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of the agency with respect to the grant, subvention or agreement, provided that the Awarding Authority has made a good faith attempt to change the terms or conditions of the grant, subvention or agreement to authorize application of the Equal Benefits Ordinance; or

g. The Contract is for goods, a service or a project that is essential to the City or City residents and there are no qualified responsive bidders or prospective Contractors who could be certified as being in compliance with the requirements of the Equal Benefits Ordinance; or

h. The Contract involves bulk purchasing arrangements through City, federal, state or regional entities that actually reduce the City's purchasing costs and would be in the best interests of the City.

(2) The Equal Benefits Ordinance does not apply to contracts which involve:

a. The investment of trust monies, bond proceeds or agreements relating to the management of these funds, indentures, security enhancement agreements (including, but not limited to, liquidity agreements, letters of credit, bond insurance) for City tax-exempt and taxable financings, deposits of City's surplus funds in financial institutions, the investment of City monies in competitively bid investment agreements, the investment of City monies in securities permitted under the California State Government Code and/or the City's investment policy, investment agreements, repurchase agreements, City monies invested in U.S. government securities or pre-existing investment agreements;

b. Contracts involving City monies in which the Treasurer or the City Administrative Officer finds that either:

(i) No person, entity or financial institution doing business in the City, which is in compliance with the Equal Benefits Ordinance, is capable of performing the desired transaction(s); or

(ii) The City will incur a financial loss or forego a financial benefit which in the opinion of the Treasurer or City Administrative Officer would violate his or her fiduciary duties.

(3) The Equal Benefits Ordinance does not apply to contracts for gifts to the City.

(4) Nothing in this Subsection shall limit the right of the City to waive the provisions of the Equal Benefits Ordinance.

(5) The provisions of this Subsection shall apply to the Equal Benefits Ordinance only. The Equal Benefits Ordinance is not subject to the exemptions provided in Section 10.9 of this Code.

(j) **Consistency with Federal or State Law.** The provisions of the Equal Benefits Ordinance do not apply where the application of these provisions would violate or be inconsistent with the laws, rules or regulations federal or state law, or where the application would violate or be inconsistent with the terms or conditions of a grant or contract with the United States of America, the State of California, or the instruction of an authorized representative of any of these agencies with respect to any grant or contract.

(k) **Severability.** If any provision of the Equal Benefits Ordinance is declared legally invalid by any court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

(l) Timing of Application.

(1) The requirements of the Equal Benefits Ordinance shall not apply to Contracts executed or amended prior to January 1, 2000, or to bid packages advertised and made available to the public, or any bids received by the City, prior to January 1, 2000, unless and until those Contracts are amended after January 1, 2000 and would otherwise be subject to the Equal Benefits Ordinance.

(2) The requirements of the Equal Benefits Ordinance shall apply to competitively bid Contracts that are amended after April 1, 2003, and to competitively bid Contracts that result from bid packages advertised and made available to the public after May 1, 2003.

(3) Unless otherwise exempt, the Equal Benefits Ordinance applies to any agreement executed or amended after January 1, 2000, that meets the definition of a Contract as defined within Subsection 10.8.2.1(b).

A. During the performance of this Contract, the Contractor agrees and represents that it will provide Equal Employment Practices and the Contractor and each Subcontractor hereunder will ensure that in his or her Employment Practices persons are employed and employees are treated equally and without regard to, or because of, race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

1. This provision applies to work or service performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor agrees to post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor will, in all solicitations or advertisements for employees placed by, or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify in the specified format that he or she has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of his or her records pertaining to employment and to employment practices by the awarding authority or the DAA for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City Contracts. Upon request, the Contractor shall provide evidence that he or she has or will comply therewith.

E. The failure of any Contractor to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City Contracts. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has failed to comply with the Equal Employment Practices provisions of a City Contract, the Contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to, and retained by, the City of Los Angeles. In addition thereto, the failure to comply may be the basis for a determination by the Awarding Authority or the DAA that the said Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such a determination, the Contractor shall be disqualified from being awarded a Contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish the contract compliance program.

I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. By affixing its signature on a Contract that is subject to this article, the Contractor shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with employment practices, including, but not limited to:

3. training and promotional opportunities; and
4. reasonable accommodations for persons with disabilities.

L. All Contractors subject to the provisions of this section shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City, and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. Subcontracts shall follow the same thresholds specified in Section 10.8.1.1. Failure of the Contractor to comply with this requirement or to

In addition thereto, the breach may be the basis for a determination by the Awarding Authority or the Board of Public Works that the Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such determination, the Contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.

ASSIGNMENT OF ANTI-TRUST CLAIMS

It is the policy of Los Angeles World Airports ("LAWA") to inform each Bidder/Proposer that in submitting a bid/proposal to LAWA, the Bidder/Proposer may be subject to California Government Code Sections 4550 – 4554. If applicable, the Bidder/Proposer offers and agrees that if the bid is accepted, it will assign to LAWA all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act or under the Cartwright Act, arising from purchases of goods, services, or materials by the Bidder/Proposer. Such assignment is made and becomes effective at the time LAWA tenders final payment to the Bidder/Proposer.

GOVERNMENT CODE

SECTION 4550-4554

4550. As used in this chapter:

(a) "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the state or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.

(b) "Public purchasing body" means the state or the subdivision or agency making a public purchase.

4552. In submitting a bid to a public purchasing body, the bidder offers and agrees that if the bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder.

The preceding provisions of this section shall be included in full in any specifications for the public purchase and shall be included in full in the bid agreement or general provisions incorporated into the bid agreement.

4553. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery.

In state contracts, the preceding provisions of this section shall be included in full in any specifications for the public purchase and shall be included in full in the bid agreement or general provisions incorporated into the bid agreement.

**LOS ANGELES WORLD AIRPORTS
CONTRACTOR RESPONSIBILITY PROGRAM
QUESTIONNAIRE**

On December 4, 2001, the Board of Airport Commissioners adopted Resolution No. 21601, establishing LAWA's Contractor Responsibility Program (CRP). The intent of the program is to ensure that all LAWA contractors have the necessary quality, fitness and capacity to perform the work set forth in the contract. To assist LAWA in making this determination, each bidder/proposer is required to complete and submit with the bid/proposal the attached CRP Questionnaire. If a non-competitive process is used to procure the contract, the proposed contractor is required to complete and submit the CRP Questionnaire to LAWA prior to execution of the contract. Submitted CRP questionnaires will become public records and information contained therein will be available for public review for at least fourteen (14) calendar days, except to the extent that such information is exempt from disclosure pursuant to applicable law.

The signatory of this questionnaire guarantees the truth and accuracy of all statements and answers to the questions herein. Failure to complete and submit this questionnaire may make the bid/proposal non-responsive and result in non-award of the proposed contract. During the review period if the bidder/proposer or contractor (collectively referred to hereafter as "bidder/proposer") is found non-responsible, he/she is entitled to an Administrative Hearing if a written request is submitted to LAWA within ten (10) working days from the date LAWA issued the non-responsibility notice. Final determination of non-responsibility will result in disqualification of the bid/proposal or forfeiture of the proposed contract.

All Questionnaire responses must be typewritten or printed in ink. Where an explanation is required or where additional space is needed to explain an answer, use the CRP Questionnaire Attachment A. Submit the completed and signed Questionnaire and all attachments to LAWA. Retain a copy of this completed questionnaire for future reference. Contractors shall submit updated information to LAWA within thirty (30) days if changes have occurred that would make any of the responses inaccurate in any way.

APPROVAL

Hello Anthony and Kevin,

Our office has now completed our review of the LBPP certification request under BAVN ID: 61090 for Sully-Miller Contracting Company. Based on the information submitted at this time, your firm has been approved* for the following certification:

Local Business Enterprise (LBE) – 5 year certification

Your certification is effective as of 11/16/2021 and will appear in your BAVN profile.

* To remain certified and be given the preference, firms must continue to meet the City's Local Business Preference Ordinance #187121 certification criteria and complete an LBPP application/renewal form based on the length of each certification. Firms will be required to submit supporting documents to demonstrate their continued eligibility for LBPP. We continue to reserve the right to re-evaluate your certification eligibility anytime it is deemed necessary.

Upon receipt of information believed by the Awarding Authority to be reliable and which indicates that the Local Business no longer qualifies for certifications under the LBPP for more than 60 days during the entire time of the Contract, the Awarding Authority shall withhold or recover funds from the Contractor in an amount that represents the value of the designated certification preference percentage of the executed contract.

(Local Business Preference Program - "Supplier and/or Regular Dealer" Definition

The Local Business Enterprise (LBE) is applicable to all competitive bids involving expenditures in excess of \$150,000.

The Local, Small Business (LSB) and Local Transitional Employer (LTE) are applicable to all competitive bids involving expenditures under \$150,000. This note is to inform all bidders that the City of Los Angeles, Department of Public Works, Bureau of Contract Administration as the Designated Administrative Agency (DAA) for the Local Business Preference program has issued the following definition update in relation to the application of preference credits to material and/or equipment suppliers:

"Preferences will be awarded for equipment, goods or materials contracts only if the Local Business or the Local Subcontractor:

(a) Designs, manufactures, or assembles the equipment, goods, or materials where a minimum of two-thirds of the work under the contract is performed at a business location within the County of Los Angeles; or (b) Acts as a Supplier and/or Regular Dealer where a minimum of two-thirds of the work under the contract is performed at a business location within the County of Los Angeles. A Supplier and/or Regular Dealer means a business that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment of the general character described by the specifications and required under the contract are bought, kept in stock, and regularly sold or leased to the public in the usual course of business. Additionally, the firm shall be an established, regular business that engages, as its principal business and under its own name, in the purchase and sale or lease of the products in question. Packagers, brokers, manufacturers' representatives, or other persons who arrange or expedite transactions are not Suppliers and/or Regular Dealers. A person may be a Supplier and/or a Regular Dealer in such bulk items as petroleum products, steel, cement, gravel, stone, or asphalt without owning, operating, or maintaining a place of business as previously described if the person both owns and operates distribution equipment for the products. Any supplementing of a Supplier's and/or Regular Dealers' own distribution equipment shall be by a long-term lease agreement and not on an ad hoc or contract-by-contract basis.")

ASPHALT CONCRETE MIXES SPECIFICATIONS

1. All asphalt concrete mixes must comply with the Subsection 203-6 of the most recent edition of the Green Book Standard Specifications for Public Works Construction (SSPWC) for the class specified. Other sections of the SSPWC as referenced in Subsection 203-5 shall apply, including all referenced requirements for aggregates, mineral filler and asphalt cement.
2. References to contractor shall be synonymous with bidder, vendor, owner and operator, and shall mean the company that is responsible for the manufacturing and/or delivery of asphalt concrete mixes.
3. Asphalt concrete plants must be owned and operated by contractor.
4. The estimated usage of mixes is 30,000 tons annually.
5. Most asphalt concrete mixes will be PG70-10 and PG64-10 paving grade asphalt unless otherwise specified such as P401 mix as attached. The Los Angeles World Airports (LAWA), Facilities Management Division (FMD) requires quotation and delivery of all other grades listed in the Bid Prices Verification Worksheet as well as delivery schedules after regular business hours, on Saturday, Sunday and observed holidays. Contractor agrees to submit a written quotation subject to the approval by the FMD Airports Maintenance Superintendent, or their designee, should additional or special grades of asphalt concrete mixes be required.
6. Most deliveries of asphalt mixes by the contractor will be directly to the work site at Los Angeles International Airport (LAX) and Van Nuys Airport (VNY). FMD may pick up some mixes at the plant with its own trucks. Asphalt deliveries by contractor and pick up location for City trucks must be within a 10-mile radius of LAX or 30-mile radius of VNY Airport.
7. Contractor will supply asphalt material at the required application temperature (defined by mix design) determined by FMD representative upon will call and delivery. FMD reserves the right to refuse/return, at the contractor's expense, asphalt that does not meet the required application temperature.
8. All Asphalt Cement for Asphalt Concrete Mixes must be "Paving Grade" PG-64-10 unless otherwise specified.
9. Mixes specified for use on Taxiway or Airfield projects shall be designated as either, "Airfield" or "P401" for the maximum aggregate size specified.
10. Mixes designated as "P401", shall conform to sections 401-1.1 through 401-3.2 of Specification section 34 – Plant Mix Bituminous Pavements – Surface Course, (FAA P-401), attached.
11. Mixes designated as "Airfield" shall conform to the requirements set forth in No. 1 above, with the following modifications:
 - a. Mixes shall be "Virgin Mixes". Recycled Asphalt Product (RAP) is not acceptable.
 - b. Asphalt cement shall be grade PG 70-10 or PG 76-22.
 - c. At least 70% of the coarse aggregate shall have two fractured faces; at least 85% of the coarse aggregate shall have one fractured face.
 - d. Loss after 500 revolutions per ASTM C131 shall be no more than 40%.
12. RAP may be used for all projects *except* airfield or P401.

13. The contractor will be responsible for sampling and testing the asphalt concrete according to the following:
- a. Samples of either the asphalt concrete or the aggregate hot-bins shall be secured. A sample shall represent each day's production or for every 800 tons in any single production day. Should each day's production be represented by different mixtures, where possible, a sample of each material type shall be secured. Samples will be tested for gradation or gradation and bitumen content where appropriate. All sampling and testing shall be in accordance to the current edition of Standard Specifications for Public Works Construction (Green Book). Test results shall show the date, approximate time, and material type represented by each sample. The contractor shall provide a copy of the results within ten (10) days of the project.

14. The award of contract will be determined by the following factors:

100% of the Bid Weighted on: I. Material Costs, II. Freight Costs, III. Standing/Working Time Costs

15. Asphalt concrete pricing will be based on the California Statewide Crude Oil Price Index. Compensation adjustments for price index fluctuations, which occur during the contract period, may increase, or decrease for paving asphalt price fluctuations exceeding five (5) percent.

The Engineer includes payment adjustments for price index fluctuations in progress estimates. If material containing asphalt is placed within 2 months during 1 estimate period, the Engineer calculates 2 separate adjustments. Each adjustment is calculated using the price index for the month in which the quantity of material containing asphalt subject to adjustment is placed in the work. The sum of the 2 adjustments is used for increasing or decreasing payment in the progress estimate.

The Engineer calculates each payment adjustment using the following formula:

$$PA = Qt \times A$$

PA = payment adjustment in dollars for asphalt contained in materials placed in the work for a given month

Qt = sum of all quantities of asphalt (Qh + Qrh + Qmh + Qrap + Qtc + Qe + Qss + Qmab + Qo)

A = adjustment in dollars per ton of asphalt used to produce materials placed in the work rounded to the nearest \$0.01

where:

$A = [(lu/lb) - 1.05] \times lb \times [1 + (T/100)]$ for an increase in the crude oil price index exceeding 5 percent

$A = [(lu/lb) - 0.95] \times lb \times [1 + (T/100)]$ for a decrease in the crude oil price index exceeding 5 percent

and:

lu = California statewide crude oil price index for the month in which the quantity of asphalt subject to adjustment was placed in the work

lb = California statewide crude oil price index for the month in which the bid opening for the project occurred

T = Sales and use tax rate expressed as a percent currently in effect in the tax jurisdiction where the material is placed. If the tax rate information is not submitted timely, the statewide sales and use tax rate is used in the payment adjustment calculations until the tax rate information is submitted.

16. Contractor must submit mix designs for all asphalt listed within these specifications within five (5) business days upon request from LAWA. Failure to submit mix designs may disqualify the Contractor's bid. Design mix must specify the amount of Asphalt Treated Permeable Base (ATPB) mix; the percentage of liquid asphalt in the ATPB; the amount of dense graded Asphalt Concrete (AC); and, the percentage of liquid asphalt in the AC mix.

groups of items to various bidders. When required by the City, bidders must submit alternate prices or name a lump sum or discount, conditional on two or more items being awarded to him. LAWA reserves the right to reject any and all bids and waive any informality in such bids when to do so would be to the advantage of the City.

ADDITION OF PRODUCTS OR SERVICES TO CONTRACT

Should LAWA have a need for an item, product, brand, commodity or service or a combination of the same, that could not be anticipated at the time of drafting this RFB, but is related to the performance of the contract, successful bidder understands and agrees to source the item, product, commodity or research the cost of the service in question and submit in writing a fixed price quotation including labor and freight, to the LAWA contract administrator.

LAWA reserves the right to accept the offer, reject the offer and obtain the item, product, brand, commodity or service or a combination of the same by other means. Accepted offer including background documentation will become part of the contract. Price adjustment provision in the bid shall apply to any item, product, brand, commodity or service or a combination of the same added to the contract.

Any space left blank in the bid and Bid Prices Verification Worksheet, any unauthorized addition, condition, limitation, modification, or provision attached to the bid may render it non-responsive and may cause its rejection. **BLANKET ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS WITH
PRODUCTS/COMPLETED OPERATIONS COVERAGE**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

Schedule

**Name of Additional Insured Person(s) or
Organization(s):**

Los Angeles World Airports

Location of Covered Operations:

All Operations of the Named Insured performed
under written contract or agreement

A. Section II – Who Is An Insured is amended to include as an additional insured:

1. Any person or organization where required by a "written contract" you have entered into where the contract requires the entity to be added as an additional insured under your Policy; and
2. The particular person or organization, if any, shown in the Schedule of this endorsement at the location(s) shown in the Schedule above.

B. The insurance provided to the additional insured is limited as follows:

1. The person or organization is an additional insured only with respect to liability for "bodily injury", "property damage", or "personal and advertising injury" caused, in whole or in part, by:
 - a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations specified in the "written contract"; or
 - b. "Your work" that is specified in the "written contract" but only for "bodily injury" or "property damage" included in the "products-completed operations hazard", and only if:

(1) The "written contract" requires you to provide the additional insured such coverage; and

(2) This Coverage Part provides such coverage.

2. If the "written contract" specifically requires you to provide additional insurance coverage via;

- a. The 10/01 edition of CG2010 (aka CG 20 10 10 01);
- b. The 10/01 edition of CG2037 (aka CG 20 37 10 01); or
- c. The 11/85 edition of CG2010 (aka CG 20 10 11 85),

then in Paragraph B.1. above, the words "caused, in whole or in part, by" are replaced by the words "arising out of".

3. We will not provide the additional insured any broader coverage or any higher limit of insurance than:

- a. The maximum permitted by law;

- b. That is required by the "written contract";
- c. That is described in **B.1.** above; or
- d. That is afforded to you under this Policy,

whichever is less.

- 4. Notwithstanding anything to the contrary in Condition 4. **Other Insurance of Section IV – Commercial General Liability Conditions**, this insurance is excess over all other insurance available to the additional insured, whether on a primary, excess, contingent or any other basis. But if required by the "written contract" to be primary and non-contributory, this insurance will be primary and non-contributory relative to insurance on which the additional insured is a Named Insured.
- 5. The insurance provided to the additional insured does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of:
 - a. The rendering of, or the failure to render, any professional architectural, engineering, or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities; or
 - b. Any premises or work for which the additional insured is specifically listed as an additional insured on another endorsement attached to this Coverage Part.

C. Section IV – Commercial General Liability Conditions is amended as follows:

- 1. The **Duties In The Event Of Occurrence, Offense, Claim Or Suit** condition is amended to add the following additional conditions applicable to the additional insured:

An additional insured under this endorsement will as soon as practicable:

- (1) Give us written notice of an "occurrence" or an offense which may result in a claim or "suit" under this insurance, and of any claim or "suit" that does result;
- (2) Except as provided in Paragraph **B.4.** of this endorsement, make available any other insurance the additional insured has for a loss we cover under this Coverage Part;
- (3) Send us copies of all legal papers received, and otherwise cooperate with us in the investigation, defense, or settlement of any claim or "suit"; and
- (4) Tender the defense and indemnity of any claim or "suit" to any other insurer or self insurer whose policy or program applies to a loss we cover under this Coverage Part. But if the "written contract" requires this insurance to be primary and non-contributory, this provision **(4)** does not apply to insurance on which the additional insured is a Named Insured.

We have no duty to defend or indemnify an additional insured under this endorsement until we receive from the additional insured written notice of a claim or "suit".

- D. Only for the purpose of the insurance provided by this endorsement, **Section V – Definitions** is amended to add the following definition:

"Written contract" means a written contract or written agreement that requires you to make a person or organization an additional insured on this Coverage Part, provided the contract or agreement:

- 1. Is currently in effect or becomes effective during the term of this Policy; and

2. Was executed prior to:

a. The "bodily Injury" or "property damage"; or

b. The offense that caused the "personal and advertising injury",

for which the additional insured seeks coverage under this Coverage Part.

All other terms and conditions of the Policy remain unchanged.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.
