

## T R A N S M I T T A L

TO City Council	DATE 09-14-23	COUNCIL FILE NO. 10-1068
FROM Municipal Facilities Committee	COUNCIL DISTRICT 8	

On July 27, 2023, the Municipal Facilities Committee (MFC) considered a report from the Economic and Workforce Development Department (EWDD) requesting authority to complete the direct sale of the City-owned properties located at 5510 S. Manhattan Place, Los Angeles, CA 90062 and 12243 Blakley Avenue, Los Angeles CA 90059 as previously approved by the City Council in November 2021 (CF 10-1068). The properties were declared surplus and no longer required for City use and to be sold "As is with all the faults".

The properties will be sold for a total of approximately \$725,000. After subtracting costs for current and past due property taxes (\$23,072), the General Fund reimbursement of a bank loan (\$49,118), the remaining principal balance of a CDBG loan (\$101,237), and estimated broker and closing cost fees (\$29,500), the City can expect the remaining net proceeds to total approximately \$522,072.

The MFC voted to approve recommendations 1, 3, 4 and 5 of the EWDD report. Recommendation 2 was not approved at the meeting as the Sales Ordinance referenced in the recommendation was not available. However, the Committee voted to waive the Sales Ordinance from MFC contingent upon it being reviewed by the CAO prior to being transmitted to Council.

The CAO has now received and reviewed the Sales Ordinance, and its terms reflect the substance of the EWDD report. The full report, including the Sales Ordinance, is now transmitted to Council for consideration.

#### Fiscal Impact

The General Fund will receive one-time revenue in the amount of approximately \$130,518 (50 percent of the Blakely Property Net Proceeds). The CD 8 Real Estate Fund will receive one-time revenue in the amount of \$130,518 (50 percent of the Manhattan Property Net Proceeds). The EWDD Trust Fund will receive one-time revenue in the amount of \$261,036 (50 percent of the Blakely Property Net Proceeds and 50 percent of the Manhattan Property Net Proceeds).

## **TRANSMITTAL: REQUEST THAT THE CITY COUNCIL APPROVE DOCUMENTS NECESSARY TO EXECUTE THE SALE OF CITY-OWNED PROPERTIES LOCATED AT 5510 S. MANHATTAN PLACE AND 12243 BLAKLEY AVENUE**

The General Manager of the Economic and Workforce Development Department (EWDD), or designee, respectfully requests that your Committee review and approve this transmittal and forward to the City Council for further consideration.

### **SUMMARY**

EWDD is requesting authority to complete the direct sale of the City-owned properties located at 5510 S. Manhattan Place, Los Angeles, CA 90062 (APN 5005-031-900) and 12243 Blakley Avenue, Los Angeles CA 90059 (APN 6148-021-270) (collectively "Properties") as shown on Exhibits "A" and "B". The Properties are no longer required for use by the City. The Properties will be sold "As Is with all faults". The proceeds of this sale, after deducting required closing costs, broker fees, and other related expenses, will be distributed according to the City Council's prior authorization from November 2021 in Council File 10-1068, as further described below.

## RECOMMENDATIONS

The General Manager of EWDD, or designee, respectfully requests that the Los Angeles City Council, subject to the approval of the Mayor as required:

1. DETERMINE, based on the findings contained herein, that the public interest and necessity require the direct sale of the Properties, without notice of sale or advertisement for bids, to WICKS INVESTMENTS, INC., a California Corporation.
2. ADOPT the accompanying Ordinance dated \_\_\_\_\_, 2023 (Exhibit C) from the City Attorney authorizing the "As Is and with all faults" sale of the real properties located at 5510 S. Manhattan Place, Los Angeles, CA 90062 (APN 5005-031-900) and 12243 Blakley Avenue, Los Angeles CA 90059 (APN 6148-021-270), including all stated Exceptions and Reservations, without notice of sale or advertisement of bids, to WICKS INVESTMENTS, INC., a California corporation for the negotiated sale price of \$725,000.00;
3. APPROVE the accompanying Purchase and Sale Agreement based on the terms specified in the Ordinance dated \_\_\_\_\_, 2023 (Exhibit D), for the sale of the real properties located at 5510 S. Manhattan Place, Los Angeles, CA 90062 (APN 5005-031-900) and 12243 Blakley Avenue, Los Angeles CA 90059 (APN 6148-021-270);
4. INSTRUCT EWDD to complete the transactions outlined in the Ordinance dated \_\_\_\_\_, 2023, process the necessary documentation to execute the sale, pay customary closing costs and brokerage fees associated with the sale of the Properties; retain and deposit funds for EWDD closing costs and expenses associated with the transaction into the appropriate EWDD accounts, and deposit the sale proceeds, as follows:
  - a. Fund No. 424, Department No. 22, Revenue Source No. 5188 reimbursing CDBG for the \$49,118 loan payment for Bank of America senior lien (CF:10-1068-S1);
  - b. Fund No. 424, Department No. 22, Revenue Source No. 4974 for the remaining principal balance of the CDBG loan amount of \$101,236.92 (CF:94-0561);
  - c. Fund No. 100, Department No. 22, Revenue Source No. 5188 for the \$23,072.93 for repayment to EWDD for current and past due Los Angeles County property taxes for the Blakley property that were paid to the County as of June 28, 2023;
  - d. Remaining balance to be apportioned fifty percent toward the sale of the Manhattan Property and fifty percent toward the sale of the Blakley Property;
  - e. Fifty percent of any remaining balance from the sale of the Manhattan Property shall be deposited into the Council District 8 Real Property Trust Fund No. 690, Department No.14, Revenue Source No.5141, and the remaining fifty percent into EWDD's Economic Development Trust Fund No.

62L, Department No. 22, Revenue Source No. 5141 (CF:16-0931, Ordinance No. 185956); and

- f. Fifty percent of any remaining balance from the sale of the Blakley Property shall be deposited into the General Fund No. 100, Department No. 62, Revenue Source No. 5141, as this property is not within a Council District, and fifty percent into EWDD's Economic Development Trust Fund No. 62L, Department No. 22, Revenue Source No. 5141; and
5. AUTHORIZE the General Manager of EWDD, or designee, to issue Controller's instructions and make technical corrections or adjustments that may be required and are consistent with these City Council and Mayoral actions, subject to the approval of the City Administrative Officer (CAO).

## BACKGROUND

The Properties are two single family dwellings acquired by the City of Los Angeles in 2010:

- 5510 S. Manhattan Place, Los Angeles, CA 90062 in Council District 8 ("Manhattan Property").
- 12243 Blakley Avenue, Los Angeles, CA 90059 ("Blakley Property") in the Willowbrook neighborhood of unincorporated Los Angeles County.<sup>1</sup>

In April 1994, the City of Los Angeles' Community Development Department ("CDD") made a business support loan of \$450,000 using federal Community Development Block Grant ("CDBG") funds to Tri-Afram Enterprises (C.F. 94-0561). The loan was secured by three single-family dwellings. The borrowers went into default in late 1994.

In December 2009, the City received partial repayment of \$348,263.08 from the net proceeds of a voluntary sale of one of the three properties. The partial repayment amount was applied to the principal balance. After the repayment, the remaining principal balance was \$101,236.92 as of October 2010.

On January 21, 2010, CDD executed a non-judicial foreclosure on the other two properties (5510 S. Manhattan Place and 12243 Blakley Avenue) through trustee sale proceedings. No bids were made for the properties at these proceedings. As a result, ownership of the Manhattan and Blakley properties was transferred to the City.

In October 2010, the Los Angeles City Council approved the payment of the remaining mortgages, and in order to recover the outstanding balance on the defaulted City loan, requested that City departments determine the method for disposing of the Properties (C.F. 10-1068 and 10-1068-S1.)

---

<sup>1</sup> The Blakley Avenue property in unincorporated Los Angeles County is located two blocks from a property in Compton, California 90222 which has the address "12243 S. Blakely Avenue." As the street address is identical and the street names are very close in spelling, the parcels often get confused.

In November 2021, the City Council took the following actions with regard to the Properties (C.F. 10-1068):

- 1) Declared the Properties surplus in accordance with all relevant provisions and statutes;
- 2) Authorized the General Manager of EWDD to negotiate and execute all documents necessary for the disposal of the Properties;
- 3) Authorized EWDD to use a Real Estate Broker or Auction Service to dispose of the Properties;
- 4) Requested the City Attorney to prepare the Grant Deed, the Sales Ordinance, and any related documents necessary to effectuate the disposal of the Properties;
- 5) Authorized EWDD to use the sales proceeds to pay the costs and fees necessary to dispose of the Properties, including determining the costs and fees, depositing funds in the proper accounts, and prepare Controller instructions.
- 6) Requesting the Controller to implement the instructions.

## **FINDINGS**

### **1. Public Interest**

In accordance with LAAC Division 7, Chapter 1, Article 4 Section 7.22, the Council may determine that the sale of City-owned property is in the public interest or necessity. In this event, the Council may, by ordinance with two-thirds vote, authorize the sale of City-owned property, without notice of sale or advertisement for bids, upon review and recommendation by the City Administrative Officer.

The immediate sale of the Properties will protect the public, eliminate liability and additional expenses to address continued deterioration, and prevent future trespassing and vandalism. In addition, the sale of these houses will create two additional rental or homeownership opportunities in the Los Angeles housing market that do not exist today. The City has an affordability crisis that is partly caused by lack of supply, so making homes available for rent or purchase will help alleviate that crisis.

Funds recovered through the sale, following satisfaction of outstanding obligations, will be placed in designated accounts and repurposed for future City priorities.

### **Property Condition and Maintenance Costs**

The Blakley Property is located outside of the boundaries of the City of Los Angeles, in the Willowbrook section of unincorporated Los Angeles County, and is believed to have an unauthorized occupant residing at the property. Since the property will be sold "As Is with all faults", the Buyer will be responsible for relocating the occupant.

The Manhattan Property has become a nuisance for the City. In the past, the City has been cited for failing to maintain the property and continues to receive complaints from the

neighbors about the condition of the property as well as trespassing by unauthorized individuals. In July 2022, the property was set on fire and the roof was damaged. The repair cost the City about \$15,000. Previous costs for demolition of the garage and fence repair, and ongoing budget for weed abatement and security patrol, bring the estimated recent and future costs for holding the property to almost \$150,000.

This sale of the Properties will save the City annual maintenance costs, remove any legal issues related to the unauthorized occupant, remove the possibility of another house fire, and return both homes to the County tax rolls which will generate annual revenues from the payment of taxes on the Properties.

## **2. Marketing**

While a “notice of sale or advertisement for bids” as set forth at Los Angeles Administrative Code sec. 7.23, et al. was not performed, in February 2022, EWDD did issue a Request for Bids (a competitive solicitation) to the entire list of appraisers on the Real Estate Services and Brokerage Service Area of the CAO’s pre-qualified list. Overland, Pacific and Cutler, LLC was the most qualified respondent and was selected as the Broker, and the contract was signed in June 2022. Marketing of the property commenced in early 2023 and consisted of the following:

- Notices of availability and property information were sent to Non-Profit Organizations.
- Notices of availability and property information were sent to HCD-approved developers.
- The Properties were listed for sale on Loop Net/CoStar.
- Realtor outreach.

EWDD staff directed the Broker to advertise the property to affordable housing nonprofits first. The Broker did as directed, making multiple attempts to contact affordable housing developers with a track record in converting single family homes to permanent affordable housing. Unfortunately, only one of the nonprofits submitted an offer. The others felt that the project would not be viable for their organizations.

Once that avenue was exhausted, the Broker listed the Properties for sale on commercial real estate websites.

## **3. Competitive Bidding**

The Properties received three initial offers: one offer for \$100,000 for both properties, one offer for \$250,000 for one property, and one offer for \$530,000 for both properties. The low offer was from an affordable housing nonprofit, and the other offers were from commercial investors.

In response to the City's counter offers, the second bidder (Wicks) raised their offer to \$725,000 for both properties, and the third bidder raised their offer to \$590,000. The City selected the highest bidder, Wicks Investments, Inc.

## **SALE TERMS**

ADDRESS / APN	SALE PRICE	PURCHASER
5510 S. Manhattan Place, Los Angeles, 90062 APN: 5005-031-900	\$725,000	Wicks Investments, Inc.
12243 Blakley Ave. Los Angeles, 90059 APN: 6148-021-270		

The direct sale is a cash transaction. EWDD will open escrow, receive funds and record the appropriate deed to close this transaction. The Property is being sold "As Is with all faults".

The prospective purchaser will pay the recording fee, documentary transfer taxes, other real estate transaction taxes or fees, one-half escrow fees, messenger service fees, if any, personal property taxes where applicable and at Purchaser's option an ALTA title insurance policy. Purchaser at its own expense may obtain any desired survey of the property. The City, as seller, will only pay the broker's fee, one-half of the escrow fees, and the CLTA title insurance policy.

## **Property Valuation**

City Real Estate staff performed a Class "C" appraisal of the Properties. Recent sales prices in the area of 5510 S. Manhattan Place range from \$405,000 to \$470,000. The value of the Manhattan Property is steeply discounted (over 30%) due to its condition. Recent sales prices in the area of 12243 S. Blakley Avenue range from \$405,000 to \$485,000. The value of the Blakley Property is slightly discounted (10%) due to the unauthorized occupant.

The value of the Properties is determined to be \$302,000 for 5510 S. Manhattan Place and \$359,000 for 12243 Blakley Avenue. GSD staff provided a valuation review of the Class "C" appraisal and concurred with the valuation of the Properties.

## **Clearances and Approvals**

In March 2018, EWDD received comments from the District Engineer. In July 2018, EWDD received notice from the Department of City Planning that the sale of the property is consistent with the General Plan.

In May 2018, the Bureau of Engineering (BOE) provided a determination that the properties were both exempt from the California Environmental Quality Act (CEQA). In the same month, BOE also provided the Hazardous Substance Disclosure for the Properties.

### **Net Proceed Distribution**

In November 2021, the City Council granted EWDD the authorization to determine and expend from the sales proceeds the amount necessary to pay for the City's required closing costs, broker fees, and other related costs; to deposit sale proceeds into the City's General Fund, Community Development Block Grant Fund, the Real Property Trust Fund of Council District 8, and the EWDD Trust Fund, as indicated; and to prepare Controller instructions and make technical corrections or adjustments. (C.F. 10-1068).

Per the Transmittal from the Economic and Workforce Development Department, dated October 20, 2021, proceeds from the sale of the Properties are to be apportioned fifty percent toward the sale of the Manhattan Property and fifty percent toward the sale of the Blakley property, and distributed as follows:

Per the Sales Ordinance prepared for this sale (Exhibit C), fifty percent of any remaining balance from the sale of the Manhattan Property shall be deposited into the Real Property Trust Fund of Council District 8 Real Property Trust No. 690, Department No. 14, Revenue Source 5141, and the remaining fifty percent into the EWDD Trust Fund No. 62L, Department No. 22, Revenue Source No. 5141 ("EDTF") (C.F. 16-0931, Ordinance No. 185956); and

Fifty percent of any remaining balance from the sale of the Blakley Property shall be deposited into the General Fund No. 100, Department No. 62, Revenue Source No. 5141, as this property is not within a Council District, and fifty percent into EWDD Economic Development Trust Fund No. 62L, Department No. 22, Revenue Source No. 5141.

An estimated budget based on the negotiated sales prices and the estimated costs/expenses is included here:

	<b><u>Item</u></b>	<b><u>Amount</u></b>

	<b><u>Sale Proceeds</u></b>

	Estimated Broker Fees including marketing expenses	\$17,500.00

### Surplus Land Act and Relocation

In February 2011, written notices of availability for the Properties were provided in compliance with the then-operative version of the Surplus Land Act (California Government Code Section 54220, et seq.). By April 25, 2011, more than 60 days after distributing the notices of availability, the City had received no notices of interest in the Properties from any entity or association desiring to purchase or lease the surplus land for any of the purposes authorized by the Surplus Land Act. Most notably, the City did not receive any responses or notices of interest from any Housing Sponsors, as defined by Section 50074 of the Health and Safety Code, regarding the Properties.

In August 2021, the City received confirmation from the state's Department of Housing and Community Development (HCD) that the disposition of the Properties is subject to the version of the Surplus Land Act that was law at the time the City determined there was a surplus and initiated the noticing (to wit, 2011). Accordingly, despite unforeseen delays, the City has complied with all requirements of the Surplus Land Act and is now ready to proceed with disposing of the Properties.

The Manhattan Property is located in Council District 8. The Council Member for that district has been notified of the proposed sale and concurs with the sale of this property or otherwise has no objections. The Blakley Property is located outside the City in an unincorporated part of Los Angeles County. The Properties were granted to the City, through EWDD, on January 10, 2010 as a result of a default on a loan. The Blakley Property is also currently occupied by an unauthorized trespasser where the City has made attempts to come to a solution but has not been successful.

EWDD has confirmed that the City is not required to provide any form of relocation for the unauthorized occupant.

**FISCAL IMPACT**

The sales of these properties will generate one-time gross revenue to the City of approximately \$725,000 prior to the payment of the costs of sales. The net proceeds will be deposited as follows:

Fifty percent of the remaining balance from the sale of the Manhattan Property shall be deposited into the Real Property Trust Fund of Council District 8 and the remaining fifty percent into the EWDD Trust Fund ("EDTF") (C.F. 16-0931, Ordinance No. 185956); and

Fifty percent of the remaining balance from the sale of the Blakley Property shall be deposited into the General Fund, as this property is not within a Council District, and fifty percent into the EDTF.

The immediate sale of the Properties will protect the public, eliminate liability and additional expenses to address continued deterioration as well as prevent future break-ins, trespassing and vandalism. Funds recovered through the sale will be placed in appropriate accounts and repurposed for future City priorities.

**Section 4. Inspection and Due Diligence Period.**

- 4.1 Buyer acknowledges that, prior to entering into this Agreement, the City urged Buyer to inspect the Property.
- 4.2 Due to the Property's distressed nature and the unauthorized occupancy of the Blakley Property, Buyer shall be provided a relatively long "Feasibility Period" of ninety (90) days. The Feasibility Period shall begin on the Effective Date and shall expire on the ninetieth day after the Effective Date. "Effective Date" shall mean the date on which the final executed Agreement is date stamped by the Los Angeles City Clerk.
- 4.3 Buyer shall have the right, during the Feasibility Period, to investigate title and to make such investigations and studies with respect to the Property as Buyer deems necessary or appropriate to determine the feasibility of purchasing the Property. Buyer, may, in its sole discretion, terminate this Agreement by written notice to Escrow and to Seller no later than 5:00:00 p.m. Pacific Time on the day on which the Feasibility Period expires. If the Feasibility Period, shall expire on a weekend or a holiday, then the Feasibility Period shall expire on the next business day on which Escrow Agent shall be open.

- 4.4 Within three (3) business days after the Opening of Escrow, Buyer, at its sole cost and expense, shall obtain a preliminary title report for the Property ("Title Report"), together with copies of the available documents underlying the exceptions contained therein, and furnish a copy of same to the City. Buyer acknowledges that Buyer has had an opportunity to review title conditions and exceptions for the Property prior to entering into this Agreement. After the expiration of the Feasibility Period, Buyer hereby agrees to accept all title conditions and exceptions set forth in the Title Report. The Closing shall not be contingent upon any right of the Buyer to object to any portion of the Title Report or any title condition of the Property.

**Section 5. Buyer's Obligation to Close.**

After the expiration of the Feasibility Period, Buyer's obligation to purchase the Property and diligently pursue Closing shall not be contingent upon any condition or contingency, except as otherwise specified herein. In the event Closing does not occur due to Buyer's decision, action and/or omission, the City shall have the right to pursue any remedy available to City in law or equity, including the retention of the Deposit, and the City may, at its sole discretion, unilaterally terminate this Agreement.

**Section 6. [Intentionally omitted]**

**Section 7. As Is Sale; Release.**

- 7.1 "As Is" Sale. Buyer and their representatives, prior to the Closing Date, will have been afforded the opportunity to make such inspections of the Property and matters related thereto and review of City's records as Buyer and their representatives desire, including, without limitation, governmental laws and regulations to which the Property is subject, and Buyer shall accept the Property upon the basis of its review and determination of the applicability and effect of such laws and regulations. Buyer acknowledges and agrees that the Property is to be sold and conveyed to and accepted by Buyer in an "AS IS" condition with all faults.

Buyer has been encouraged to conduct its own independent inspection of all aspects of the Property, including without limitation the physical condition of all improvements, soil stability of the Property and its surroundings.

- 7.2 The City does not make any representations or warranties of any kind whatsoever, either express or implied, with respect to the Property or any of such related matters; in particular, but without limitation, the City makes no representations or warranties with respect to the use, condition, title, soil stability, occupation or management of the Property, compliance with applicable statutes, laws, codes, ordinances, regulations or requirements relating to leasing, zoning, subdivision, planning, building, fire, safety, health or environmental matters, other local, municipal, regional, state or federal requirements, or other statutes, laws, codes, ordinances, regulations or requirements. Buyer represents, warrants, and covenants that it is entering into this Agreement on the basis of Buyer's own investigation of records and of the physical and environmental conditions of the Property, including the subsurface conditions. Buyer assumes the risk

that adverse physical and environmental conditions may not have been revealed by their investigation. Buyer's representations, warranties, and covenants shall survive the Close of Escrow. Buyer shall indemnify, hold harmless, and defend the City, its successors, assigns, agents, officials, employees, members, independent contractors, affiliates, principals, officers, directors, attorneys, accountants, representatives, staff, board and council members of the City, and of each of them (collectively "City Representatives"), from and against any and all liens, claims, causes of action, damages, liabilities and expenses (including reasonable attorneys' fees) arising out of the development/construction, use, and/or occupancy of the Property. Buyer's indemnity obligations under this section shall survive the termination of this Agreement and shall survive the Closing.

- 7.3 **RELEASE.** Buyer, for itself, its successors and assigns, hereby waives, releases, remises, acquits and forever discharges City Representatives, of and from, any claims, actions, causes of action, demands, rights, damages, costs, expenses, penalties, fines or compensation whatsoever, direct or indirect, which Buyer now has or which Buyer may have in the future on account of or in any way arising out of or in connection with the stability of the soil and conditions of the soil on the Property, the known or unknown physical or environmental condition of the Property, including, any contamination in, on, under or adjacent to the Property by any hazardous or toxic substance or material, or any federal, state or local law, ordinance, rule or regulation applicable thereto, including, the Toxic Substances Control Act, the Comprehensive Environmental Response, Compensation and Liability Act, and the Resource Conservation and Recovery Act. The foregoing shall apply regardless of any negligence or strict liability of City, its affiliates, employees, agents, officers, successors or assigns. With respect to the foregoing release, Buyer expressly waives the benefits and protections of section 1542 of the California Civil Code, which read as follows:

**"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."**

- 8.1.a The Opening of Escrow shall take place immediately after all parties have executed this Agreement, and said Agreement is deposited into an escrow account with an Escrow Holder of City's choosing. Upon execution of this Agreement, the parties must deposit one **(1)** executed counterpart of this Agreement, electronic

signatures accepted, with the Escrow Holder and this instrument shall serve as the instructions to the Escrow Holder for consummation of the purchase and sale of the Property.

- 8.1.b The Escrow Holder must deliver to both Buyer and City a set of counterparts of the Agreement executed by Buyer, City and Escrow Holder and retain a set in Escrow.
- 8.1.c Escrow Holder will only be responsible for undertaking such matters in connection with the Closing as are specifically provided for herein or in any additional or supplementary escrow instructions delivered by the parties.
- 8.1.d In the event the Buyer does not execute this Agreement within five (5) business days after City's execution of this Agreement, and City has not extended the time to Buyer to execute this Agreement and the Close of Escrow, then the terms and conditions contained herein shall be null and void and of no further force and effect.

8.2 Brokerage Fees. Overland, Pacific & Cutler ("Broker") is acting as the City's exclusive representative in this transaction. Upon the Close of Escrow, Broker shall receive commission equal to two percent (2%) of the Purchase Price, plus Three Thousand Dollars (\$3,000.00), which, in this case, is equal to the total amount of Seventeen Thousand Five Hundred Dollars (\$17,500.00). City shall be responsible for Broker's fee.

8.3 Dispute Over Brokerage and Finders' Fees. Except as stated in Section 8.2 of this Agreement, no broker's fee, finder's fee, commission or similar compensation shall be paid by principals of Buyer or the City in connection with this Agreement. In the event of a claim for broker's fee, finder's fee, commission or other similar compensation in connection herewith other than as set forth above, Buyer, if such claim is based upon any agreement alleged to have been made by Buyer, hereby agrees to indemnify and hold the City and City Representatives harmless against any and all liability, loss, cost, damage or expense, including attorneys' fees, which the City may sustain or incur by reason of such claim. The City, if such claim is based upon any agreement alleged to have been made by City, hereby agrees to indemnify and hold Buyer harmless against any and all liability, loss, cost, damage or expense, including attorneys' fees, which Buyer may sustain or incur by reason of such claim. The provisions of this Section shall survive the Close of Escrow or termination of this Agreement.

8.4 Closing.

- 8.4.a Closing; Date. The consummation of the transaction contemplated by this Agreement and recording of the Deed (the "Closing" or "Close of Escrow") shall occur and delivery of all items to be made at the Closing under the terms of this Agreement shall occur no later than three (3) business days after the expiration of the Feasibility Period ("Closing Date"), unless extended by mutual written agreement of the parties and the written agreed upon extension is delivered to the Escrow Holder at least one (1) business day before the Closing Date.

8.4.b Preclosing Conditions. Provided that Escrow Holder can comply with these instructions, that Escrow Holder has received the deliveries described herein, that Escrow Holder has not received prior written notice from a party that any condition to such party's obligations has not been fulfilled, or that Buyer has elected to terminate its rights and obligations hereunder, or City has elected to terminate its rights and obligations hereunder, and the Title Company has issued or is conditionally prepared to issue to Buyer, as of the Closing Date, the Title Policy, then Escrow Holder is authorized and instructed to (a) record the Deed, (b) deliver the Purchase Price to the City, less any prorations and costs of Escrow in accordance with Closing Statements, (c) deliver conformed copies of the recorded Deed to Buyer and City, and (d) deliver the closing statements to Buyer and City in accordance with this Section.

8.5 Notification: Closing; Statements.

If Escrow Holder cannot comply with the instructions herein or to be provided, then Escrow Holder is not authorized to cause the recording of the Deed or close this Escrow. If Escrow Holder is unable to cause the recording of the Deed, then, without delay, Escrow Holder shall notify those individuals identified in the Notices section, Section 12. If Escrow Holder is able to comply with the instructions herein and to be provided, immediately after the Closing, Escrow Holder shall deliver to Buyer and the City at the addresses provided in the Notices section, Section 12, a true, correct and complete copy of the closing statement, in the form customarily prepared by Escrow Holder.

8.6 Deliveries by City.

- 8.7.a Balance. An amount of Seven Hundred Twenty-Five Thousand Dollars (\$725,000.00) which is the Purchase Price, plus Buyer's share of the prorations and costs associated with the sale, which are required for Close of Escrow, less the amount of the Deposit.

- 8.7.b Other Documents. Any other documents, instruments, data, records, correspondence or agreements called for hereunder which have not been previously delivered.
- 8.7c Certificate of Acceptance. To be attached to the Grant Deeds for recording

8.8 Other Instruments.

Buyer and the City shall each deposit such other instruments and take such other actions as are reasonably required by Escrow Holder or otherwise required to close the Escrow and consummate the purchase of the Property in accordance with the terms hereof.

8.9 Proration.

All revenues and expenses of the Property, including, without limitation, real property taxes, special taxes, assessments and utility fees and/or deposits, shall be prorated and apportioned between Buyer and the City as of 12:01:00 a.m. on the Closing Date, so that the City bears all expenses with respect to the Property and has the benefit of all income with respect to the Property through and including the date immediately preceding the Closing Date. Buyer and the City hereby agree that any of the aforesaid prorations which cannot be calculated accurately as of the Closing Date shall be prorated on the basis of the parties' reasonable estimates, and shall be recomputed between Buyer and City when actual tax statements for the year of Closing are received, and either party owing the other party a sum of money based on such subsequent proration adjustment shall promptly pay said sum to the other party, and, if payment is not made within ten (10) days after delivery of a bill therefore, shall pay interest thereon, at the lesser of the rate of ten percent (10%) per annum or the highest rate permitted by law, from the Closing Date to the date of payment.

8.10. Special Taxes. Bonds or Assessments.

If, at the time of Closing, any portion of the Property is affected by an assessment or other charge, whether for taxes or bonds, or interest thereon, which is or may become payable in installments, and an installment payment of such assessment is then a lien, then such installment shall be prorated as of midnight at the end of the day preceding the Close of Escrow. All installments not then yet due whether or not the same have been prepaid shall not be prorated and Buyer shall assume such bonds or assessments. Any prepaid assessments made in advance of its due date shall be credited to Seller.

8.11. Costs and Expenses.

Buyer shall pay for all costs and expenses for the Property upon the Close of Escrow, including documentary transfer taxes, recording fees, at buyer's option an ALTA, title insurance policy, miscellaneous fees; and half of the Escrow fees. The City shall only pay for half of the Escrow fees and CLTA upon the Close of Escrow.

8.12. Disbursement of Funds.

On the Close of Escrow, Escrow Holder shall disburse to the City, in immediately available funds, the Purchase Price less (a) City's share of prorations as determined in Section 8; and (b) one-half of the Escrow fees. At the City's discretion, such funds may be mailed or wired as of 1:00 p.m. on such date in order that such funds may be received

by City on the Close of escrow provided, however, that if such funds cannot be wired to City on the Close of Escrow, Escrow Holder shall, unless otherwise directed in writing by City, invest the funds overnight in an interest-bearing account.

8.13. Delivery of Documents.

Upon the Close of Escrow all instruments and documents shall be delivered forthwith to such party's attorney as specified in Section 12 (Notice), and if no attorney is specified, then to such party directly. Escrow Holder shall forthwith deliver to the party entitled thereto the recorded originals of such instruments or documents upon Escrow Holder's receipt of the same.

8.14. Supplemental Taxes.

Buyer and the City acknowledge that the Property may be subject to supplemental taxes due as a result of change of ownership taking place through this Escrow. Any necessary adjustment due either party on receipt of a supplemental tax bill will be made by the parties outside of this Escrow and Escrow Holder is released of any liability in connection with same.

8.15. Possession.

Buyer hereby acknowledges that Seller is unable to deliver possession of the Property, and at the Close of Escrow, Buyer hereby agrees to take title to the Property subject to any existing or potential dispute(s) related to possession of the Property.

8.16. Failure to Close.

8.16.a If the Closing does not occur on or before the Closing Date by reason of a default, subject to a cure period detailed in section 8.16.c, then the non-defaulting party may elect to terminate this Agreement and cancel Escrow by giving written notice of such termination and cancellation to the other party and to Escrow Holder. In the event either party terminates this Agreement, neither party shall have any further obligations hereunder, other than those obligations that are specified to survive this Agreement ("Surviving Obligations").

8.16.b [Intentionally omitted]

8.16.c To cure a default, the defaulting party will have 30 calendar days after notice of the default is provided to the Escrow Holder and the defaulting party. Escrow will be extended by 30 calendar days, or longer if by mutual agreement, to allow the defaulting party time to cure the default.

8.16.d If Escrow fails to close, all documents and other instruments will be returned to the party depositing the same into Escrow.

8.16.e Cost of Canceling Escrow. In the event neither party is in default, then the cost of cancellation of Escrow will be shared equally between Buyer and the City. In the event only one of the parties hereto is in default, then such defaulting party will pay for the entire cost of cancellation of Escrow. The termination of this

Agreement and cancellation of Escrow, as provided herein, shall be without prejudice to whatever legal rights, as said rights may be limited by the terms contained in this Agreement that Buyer or City may have against each other arising out of this Agreement and the Escrow.

**Section 9. Representations, Warranties and Covenants of Buyer.**

Buyer hereby represents, warrants and covenants to City as of the date of this Agreement, as follows:

Unless otherwise disclosed in writing to the City prior to the date of this Agreement, there is no existing or, to Buyer's actual knowledge, pending or threatened litigation, suit, action or proceeding before any court or administrative agency affecting Buyer or, to the best knowledge of Buyer, that would affect Buyer's ability to perform its obligations under this Agreement.

If neither party elects to terminate this Agreement, the Purchase Price will be determined (if not already fixed) as though such condemnation had not occurred, and the net proceeds of condemnation awards paid or payable to the City by reason of such condemnation of the Property shall be paid or assigned to the City upon the Close of Escrow.
