**Comments for Public Posting:** Esteemed Councilmembers, On behalf of Streets For All, I'm writing to express our support for CF 20-1536-S3. We need a way to fund our bus shelters and other public right of way improvements. By establishing a new citywide special fund, improvements can be prioritized for locations with the most disinvestment and subsequent need. We urge the City Council to pass CF 20-1536-S3 with the draft ordinance language included as amended at the Public Works Committee and look forward to implementation of the new STAP bus shelters with the assistance of the financial commitment of RAISE LA. Best, Olga Lexell
