Re: Letter of Support for Rendon Hotel/ CF: 22-1162

Dear Honorable Chair,

On behalf of SMART Local Union 105, I am officially expressing my support for the proposed Rendon Hotel Project in the Arts District.

We believe that the project stands on its own merits, both in what it will offer to the City of Los Angeles once it is constructed, and what it is slated to offer the community during construction.

We believe that the applicant's commitment to hiring locally, and hiring responsible contractors from the region will have an appreciable effect on the entire local economy.

That decision will help contractors provide well-paying jobs with benefits to some of the most hardworking people in Los Angeles and ensure positive impacts throughout the region.

We stand behind this project.

Sincerely,

A handwritten signature in black ink that reads "Steve Hinson". The signature is written in a cursive, flowing style.
