Comments for Public Posting: I am a local resident and frequent customer of Melrose businesses. I am strongly in favor of the Uplift Melrose plan to provide a higher quality of life in the Melrose district. Yes, we would trade off one lane for cars, but that would just make Melrose similar to other shopping streets like Fairfax in Little Ethiopia or Abbot Kinney (albeit that has an additional turning lane). It would be one more step toward helping LA fight climate change and put our money where our mouth is.
