Comments for Public Posting: I support the Wesson / Martinez motion to divert calls away from police and toward unarmed, skilled, and appropriate care workers. It is clear that the LAPD and LASD need their funding reduced immensely so that we can reallocate these resources to less corrupt, more care driven forms of crisis response, which that majority of crisis response requires. Defund the LAPD. Defund the LAPD. They are corrupt, militarized, overfunded, and empowered to brutalize protestors, and murder innocent people.
