Comments for Public Posting: my name is Nicolas Patino. I am a member of the Los Angeles Drug and Alcohol Policy Alliance (LA DAPA). I'm here to ask the PLUM committee to reconsider moving forward Council File, otherwise known as the Restaurant Beverage Program. The wording of the ordinance can be interpreted differently therefore restaurants under this program can be differently laid out, such as the instructions when it comes down to private and banquet rooms. Due to this concern, we are proposing that the PLUM committee make amendments to the program prior to sending it to City Council to avoid future misunderstandings between the restaurants who would seek to benefit from the program if it were to go forward. Again, please take into consideration our concerns and recommendations prior to moving the Restaurant Beverage Program forward in the legislative process.
