Re: Council File 17-0981 (creation of an administrative process for issuing over-the counter onsite alcohol Conditional Use Permits, with adopted amendments)

Dear Councilmembers Buscaino and Harris-Dawson:

On September 11, 2018, our Board voted 9-0-0 to support the City Council's position of support for Council File 17-0981, with the amendments which were added as stated below:

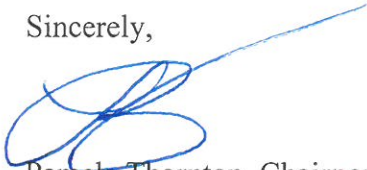

2C

1. Provide analysis on the ministerial granting of Conditional Use Permit (CUP) applications so that onsite consumption will not result in an undue concentration of establishments dispensing onsite sales. This analysis should include the number and proximity of such establishments within a one thousand foot radius of the site, the crime rate in the area (involving public drunkenness, the illegal sale or use of narcotics, drugs or alcohol, disturbing the peace and disorderly conduct) and whether revocation or nuisance proceedings have been initiated on the establishment applying for the CUP.
2. Provide analysis to ensure the streamline granting of ministerial approvals for CUP for onsite alcohol consumption will not detrimentally affect nearby residentially zoned communities in the area with attention to the distance of the proposed use from the following sensitive uses: churches, schools and daycare facilities, parks and other similar uses.
3. Provide language that would exclude any establishment that has minimal table service, limited menu, food cooked in bulk in advance and kept hot, finished and packaged to order from being ineligible for streamlining the CUP process. This should also apply to any establishment that utilizes standardized ingredients and/or partially prepared foods and supplies to each restaurant through controlled supply channels.

2D

1. Clarify that this process may only be used for onsite alcohol licenses.
2. Recommend a condition preventing locations that have been subject to previous nuisance abatement and/or revocation from using this process.
3. Notification to Council Offices, Neighborhood Councils, and LAPD.
4. Recommend the feasibility of including an appeal process.
5. Recommend the feasibility of establishing term limits or a renewal process under the condition compliance unit.
6. Recommend including a condition preventing outdoor advertisement of alcohol.
7. Recommend including a condition prohibiting drive through establishments from participating in this process.

Sincerely,

Pamela Thornton, Chairperson
Harbor Gateway North Neighborhood Council
