**RE: Council File No. 17-0981**

Ladies and Gentlemen:

The Brentwood Community Council ("BCC") is the broadest based Brentwood community organization, representing approximately 50,000 stakeholders of the 90049 community. BCC includes 13 homeowners associations, multi-family residential dwellers, business organizations, schools, religious groups, volunteer service groups, public safety and environmental organizations.

At its February, 2018 meeting, the BCC discussed the current motion directing PLUM to explore the feasibility of streamlining the CUB process, including the adoption of an over the counter process. The BCC opposes any process that would preclude the opportunity for the community to comment upon a CUB application. The BCC requests that any process include a 60 day period in which the impacted community, including any neighborhood councils, could submit any comments or proposed conditions.

Please file this with other public comment received regarding the above Council File Number.

Thank you for your consideration.

Sincerely,

Kyle Kozloff

Chair

Brentwood Community Council
