Interest Earned on HEAP Deposits

The City has earned an additional \$72,154.53 in interest from its HEAP allocation since June 30, 2020. This Office recommends earned interest be allocated to Activity Category 1. The State requires that all interest proceeds be used for HEAP-eligible activities. Consistent with Health and Safety Code Section 50214 (b), no more than five (5) percent of the total HEAP allocation plus interest proceeds may be used for general administrative purposes, and at least five (5) percent must be allocated to establishing or expanding services for youth experiencing homelessness or at risk of homelessness. This recommendation is consistent with State regulations.

REPROGRAMMING RECOMMENDATIONS

This report recommends that savings from HEAP allocations be made available for other uses to ensure the City meets the requirement to expend all HEAP funds by June 30, 2021. These recommendations will also reduce the amount needed for programs and projects in FY 2020-21 from the State Homeless Housing, Assistance and Prevention (HHAP) Program.

\$2,165,184.45 in savings is recommended for reprogramming from funds allocated to the Bureau of Engineering (BOE), Capital Improvement Expenditure Program (CIEP), the Los Angeles Homeless Services Authority (LAHSA), Department of General Services (GSD) and the Board of Public Works (BPW) to be reprogrammed to Activity Category 1, Activity Category 3 – Capital, Operating, Services – Citywide (Activity Category 3), and Activity Category 5 – Administrative Costs (Activity Category 5):

- \$1,959,586.36 from Activity Category 1 as follows:
 - \$840,797.06 BOE savings from:
 - Design of interim housing sites (67,290.53).
 - General salaries for construction of five A Bridge Home (ABH) sites (\$773,506.53).
 - \$90,345.30 CIEP capital savings from construction costs at 2817 Hope Street; and
 - \$1,028,444.00 LAHSA operational savings from three (3) interim housing sites due to later than expected operating start dates.
- \$191,585.82 from Activity Category 2 – Capital and Operating Support – Skid Row (Activity Category 2) as follows:
 - \$153,407.82 BOE savings from general salaries associated with construction costs at 544 Towne ReFresh Spot; and
 - \$38,178.00 Department of General Services (GSD) leasing savings from 119 interim housing beds at 1426 Paloma Street in partnership with the County of Los Angeles.
- \$14,012.27 from Activity Category 5 as follows:
 - Board of Public Works administrative savings from FY 2018-19 (\$8,772.47) and FY 2019-20 (\$5,239.80).

This report recommends the total allocation of \$2,635,989.16 from the uncommitted balance in Activity Category 2 (\$398,650.18) and reprogrammed funds in Activity Category 1 including the interest (\$2,031,740.89), Activity Category 2 (\$191,585.82), and Activity Category 5 (\$14,012.27) to the following:

- \$1,358,003.16 from the reprogrammed balance within Activity Category 1 including interest earned to Activity Category 1 as follows:
 - \$20,000.00 to address costs for BOE salaries associated with the construction costs at two (2) additional ABH sites (Beacon and Eubank);
 - \$226,926.57 for construction costs incurred by GSD for the ABH site located at 2817 Hope Street;
 - \$966,203.59 to reduce the HHAP funding allocation of \$8,881,000 for construction of a tiny home village at 12600 Saticoy in CD 2 to \$7,914,796.41; and
 - \$144,873.00 for capital costs for tenant improvements at 3061 Riverside Drive.
- \$590,236.00 from reprogrammed balance (\$191,585.82) and uncommitted balance (\$398,650.18) within Activity Category 2 to Activity Category 2 as follows:

- \$200,000.00 to support the Downtown Women’s Center (DWC) Health and Wellness Program to provide meals to women in the Skid Row area based on approved the Council motion (C.F. 20-1219); and
 - \$390,236.00 for the Board of Public Works Skid Row Sidewalk Sweeping and Litter Abatement Program to replace previously approved HHAP funding for the Board of Public Works Skid Row Sidewalk Sweeping and Litter Abatement Program in order to preserve these funds for other uses; and HHAP funding will be allocated in an upcoming report from the City Administrative Office (CAO) and the Chief Legislative Analyst regarding the HHAP program.
- \$313,220.00 from the reprogrammed balance within Activity Category 1 is recommended to be transferred to Activity Category 3 and allocated to continue funding for North Valley Caring Services to maintain services for homeless families in Council Districts 6 and 7.
 - \$360,517.73 is recommended to be reprogrammed from Activity Category 1 to Activity Category 5. In addition to \$14,012.27 reprogrammed within Activity Category 5, a total of \$374,530.00 is recommended to be allocated from Activity Category 5 as follows:
 - \$89,685.00 for the City Administrative Officer to augment the contract with the County Department of Health Services for real estate evaluation and architectural services for the privately-owned site located at 3061 Riverside Drive included in the ABH program.
 - \$148,076.00 (Salaries General: \$97,463.00 and Related Costs: \$50,613.00) for City Attorney for one (1) Deputy City Attorney III for six (6) months, January 1, 2020 - June 30, 2021, to complete the leases for ABH and City COVID-19 Homelessness Roadmap (Roadmap) sites; and
 - \$136,769.00 (Salaries General: \$64,223.00 and Related Costs: \$72,546.00) for the Department of General Services for one (1) Senior Real Estate Officer, for six (6) months, January 1, 2020 - June 30, 2021, to complete the lease negotiations for ABH and Roadmap sites.

The total funds remaining in Activity Category 5 comply with the five (5) percent cap administrative funds.

Lastly, this report recommends reappropriating the balance of \$10,156.98 within Activity Category 1 (\$2,656.98) and Activity Category 2 (\$7,500.00) for BOE general salaries associated with the construction of the interim housing sites located at St. Andrews, Hope, Veterans Affairs, Sunset, and Imperial, and the hygiene center at Towne Street.

The CAO will continue to closely monitor HEAP expenditures and report to the Homeless Strategy Committee, Mayor, and City Council with reprogramming recommendations to ensure HEAP funds are fully expended by June 30, 2021.
