SUMMARY

At its special meeting of November 18, 2015, the Ad Hoc Committee on the 2024 Summer Olympics considered a joint CAO and CLA report dated November 13, 2015 relative to an update on key issues regarding the City of Los Angeles' proposed bid for the 2024 Summer Olympic and Paralympic Games (Games). The CAO and CLA report that since the City Council's decision to adopt the Joinder Agreement between the City and the United States Olympic Committee, the City has been formally advanced for consideration as a Candidate City to host the Games. As such, the Los Angeles 2024 Exploratory Committee (LA24), a private non-profit corporation separate and apart from the City of Los Angeles, has continued to develop its bid materials in collaboration with the City. In parallel, the CAO and CLA have remained actively involved in the identification of potential financial risks to the City as a result of its candidacy and continue to work closely with the offices of the City Attorney, Mayor, and LA24 to develop mitigation strategies where possible. The joint report, attached to the Council file, highlights the Candidature Process and related timelines and serves as an update on progress to date on key issues and directives.

During the Ad Hoc Committee's consideration, representatives of the CAO, CLA, and City Attorney provided an overview of the joint report and responded to related questions from Committee members. An opportunity for public comment was provided. After further consideration, the Committee recommended to approve the recommendations contained in the joint CAO/CLA report dated November 13, 2015 and detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

AD HOC COMMITTEE ON THE 2024 SUMMER OLYMPICS
