Subject: Don't arbitrarily limit sustainable alternatives to driving

To: mayor.garcetti@lacity.org, councilmember.martinez@lacity.org, councilmember.koretz@lacity.org, councilmember.bonin@lacity.org, seleta.reynolds@lacity.org, CityClerk@lacity.org, marcel.porras@lacity.org

Dear General Manager Reynolds, Mayor, and City Councilmembers,

Bird has given me an affordable, sustainable, and convenient alternative to driving or using ride-share when I need to get around. Strictly limiting the number of Birds on our streets with an arbitrary cap would only make them harder to find, forcing me back into the car. Please do not put arbitrary limits on this great new transportation option so I can continue to rely on Bird as a sustainable and affordable alternative to sitting in traffic.

Thank you,
Doug Basalyga

Dear General Manager Reynolds, Mayor, and City Councilmembers,

As a UCLA student and Westwood resident. Traffic here in this area IS THE WORST AND LOOKING AT STATISTICS AND TRAFFIC STOPS ITS ONE OF THE WORST PLACES DRIVERS DRIVE IN AS WELL. EVERYDAY CARS ARE RUNNING STOPS SIGNS, honking and causing chaos all the while I cruise by on my bird and am able to get my destination(class) without all the extra anxiety

Bird has given me an affordable, sustainable, and convenient alternative to driving or using ride-share when I need to get around. Strictly limiting the number of Birds on our streets with an arbitrary cap would only make them harder to find, forcing me back into the car. Please do not put arbitrary limits on this great new transportation option so I can continue to rely on Bird as a sustainable and affordable alternative to sitting in traffic.

Subject: Don't arbitrarily limit sustainable alternatives to driving
To: mayor.garcetti@lacity.org, councilmember.martinez@lacity.org, councilmember.koretz@lacity.org, councilmember.bonin@lacity.org, seleta.reynolds@lacity.org, CityClerk@lacity.org, marcel.porras@lacity.org

Dear General Manager Reynolds, Mayor, and City Councilmembers,

Bird has given me an affordable, sustainable, and convenient alternative to driving or using ride-share when I need to get around. Strictly limiting the number of Birds on our streets with an arbitrary cap would only make them harder to find, forcing me back into the car. Please do not put arbitrary limits on this great new transportation option so I can continue to rely on Bird as a sustainable and affordable alternative to sitting in traffic.

Thank you,
Khawar

To: mayor.garcetti@lacity.org, councilmember.martinez@lacity.org, councilmember.koretz@lacity.org, councilmember.bonin@lacity.org, seleta.reynolds@lacity.org, CityClerk@lacity.org, marcel.porras@lacity.org

Cc: stephenlkane@gmail.com

Dear General Manager Reynolds, Mayor, and City Councilmembers,

I am a resident who travels 50% of the year- it makes no sense for me to have a car. FUNALLY, Bird has given me an affordable, sustainable, and convenient alternative to driving or using ride-share when I need to get around. Strictly limiting the number of Birds on our streets with an arbitrary cap would only make them harder to find, forcing me back into the car. Please do not put arbitrary limits on this great new transportation option so I can continue to rely on Bird as a sustainable and affordable alternative to sitting in traffic.

Thank you,
Christina Wilson

Subject: Don't arbitrarily limit sustainable alternatives to driving

To: mayor.garcetti@lacity.org, councilmember.martinez@lacity.org, councilmember.koretz@lacity.org, councilmember.bonin@lacity.org, seleta.reynolds@lacity.org, CityClerk@lacity.org, marcel.porras@lacity.org

Dear General Manager Reynolds, Mayor, and City Councilmembers,

Bird has given me an affordable, sustainable, and convenient alternative to driving or using ride-share when I need to get around. Strictly limiting the number of Birds on our streets with an arbitrary cap would only make them harder to find, forcing me back into the car. Please do not put arbitrary limits on this great new transportation option so I can continue to rely on Bird as a sustainable and affordable alternative to sitting in traffic.

Thank you,
Brian Ignaut

Please don't limit the amount. I love the birds they're so great. Any less and it wouldn't be as easy to use them.

Thank you,
Sandra Kovacsirkas

Dear General Manager Reynolds, Mayor, and City Councilmembers,

As someone who's elected to get rid of their car in Los Angeles, Bird has given me an affordable, sustainable, and convenient alternative to driving or using ride-share when I need to get around. Strictly limiting the number of Birds on our streets with an arbitrary cap would only make them harder to find.

Please do not put arbitrary limits on this great new transportation option so I can continue to rely on Bird as a sustainable and affordable way to navigate an already contested city.

Please support free capitalism.

Thank you,
Adam Olsen
